Subject: On Call Electrical Services  
State WIN: PH20210324ES5  
Location: **Region 5**  
**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

**Question:** What would the response area be?

**Response:** The response area would be all of Region 5 (see attached map of Region 5).

**Question:** If we would be interested in zone 1, can we bid solely for zone 1 or is the only available as a whole?

**Response:** This is an On-Call Contract, there are no zones just the service area within Region 5. The Contractor with the lowest cost including travel time for the particular assignment will have first option to perform the work and accept the Assignment. If this Contractor is unable to accept the work, then the Contract Administrator will contact the Contractor that is estimated to have the next lowest cost to see if that bidder will accept the assignment. If that next low bidder is unable to accept the work, then the Contract Administrator will contact the next lowest bidder, and subsequent bidders in ascending order of the amount of their bids, until a bidder accepts the assignment.

Consider these changes and information prior to submitting your bid on **April 14, 2021**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
