COMMISSIONER

November 9, 2021
Subject: On Call Air Compressors
State WIN: PH20211103CMP
Location: **Regions 1, 2, 3, 4 & 5**
Amendment No. 1

Dear Sir/Ms.:

CHANGE on page 19, "SPECIAL PROVISIONS, AIR COMPRESSORS", in the section "Equipment", the bullet which begins with "Each machine will come with a valid State of Maine inspection sticker..." to read, "Each compressor **MUST** have a valid Maine registration and plates attached for the term of the rental." Make this change in pen and ink.

ADD on page 19, "SPECIAL PROVISIONS, AIR COMPRESSORS" in the section "Equipment" the following bullet: "Compressors must be equipped for towing as required by all State and federal laws and regulations. All safety equipment installed by the manufacturer must be complete and operational." Make this change in pen and ink.

The following questions have been received:

Question: Do all size compressors need electric brakes?

Response: Not all compressors need electric brakes. Compressors must be equipped for towing as required by all State and Federal laws and regulations.

Question: Do the compressors need inspection or licensing? The bid specs say State of Maine Inspections on air compressors; We are not aware of this. We wanted to know if you meant State of Maine licensing/registration?

Response: Compressors do **NOT** need to be inspected however they **MUST** have a valid Maine registration and plates for the length of the contract.

Consider these changes and information prior to submitting your bid on **November 24, 2021**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
