Dear Sir/Ms.:

The following questions have been received:

**Question:** I'm wondering on exact locations.

**Response:** Exact locations are unknown at this time. As locations are determined, the lowest bidder for that region will be contacted with further details. Then the offer of award of the assignment will proceed as per the Special Provisions.

**Question:** What exact machine are you looking for?

**Response:** Any milling machine is acceptable as long as it can meet the requirements of the specifications. An example of a commonly used milling machine is the Wirtgen 210, but that is not a requirement of the Contract.

Consider these changes and information prior to submitting your bid on **February 16, 2022**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
