Dear Sir/Ms.:

The following question has been received:

Question: On Page 9 of 10 Item 659.12 & 659.13, are you looking for a price to mobilize our equipment or the crew from one job to another at night? I'm confused because you used to have a Mobilization Item (659.11) which was to move our equipment to a Project but I no longer see that Item. Item 659.11 is now an hourly Item.

Response: Item 659.11 is now an hourly item for equipment moves.
Item 659.12 is a lump sum amount (per night) to put a crew up overnight if the assignment justifies it.
Item 659.13 is a lump sum amount (per night) to work at night if required.
See page 58 of the bid book for more details.

Consider these changes and information prior to submitting your bid on **March 30, 2022**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
