Dear Sir/Ms.:

The following questions have been received:

**Question:** Requesting a prospectus/more information on item number 11, region 1, section 1 and 2. (Off Road Tractor or Equivalent with Operator to haul logs, debris, etc. (no skidders))

**Response:** Line item 11 refers to a vehicle that will carry the logs off the ground, such as a Forestry Forwarder:

A forwarder is a forestry vehicle that carries logs/debris from the stump to a roadside staging area for pickup. An equivalent would still ensure the logs/debris were off the ground during travel.

Consider these changes and information prior to submitting your bid on **February 7 , 2024.**

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
