Dear Sir/Ms.:

The following questions have been received:

**Question:** Requesting a detailed prospectus for bid in region 1

**Response:** The mulching machines we use are typically of three varieties. They can include all in one forestry mulchers, skid steers with an attachment, and mulching heads for excavators. Use depends on what we need and who the lowest bid is. Last year's contract shows a variety of equipment and can be found here:

Consider these changes and information prior to submitting your bid on **February 7, 2024**.

Sincerely,
