Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Vendor Customer Number is requested on several of the submitted documents. Is this number required and if so, where can we lookup if we already have one?

Response: A Vendor Customer Number is not required prior to submitting a bid, prospective bidders must register as a vendor with the Department of Administrative & Financial Services if the vendor is awarded a contract. Vendors/Contractors will find information and register through the following link <http://www.maine.gov/purchases/venbid/index.shtml> . Please refer to page 7 of contract bid book Vendor Registration.

Question: Can we inspect all 3 locations consecutively, one after the other, or will each location have gaps in the dates requiring new trips for each within the May1st-June30th time frame?

Response: The Department will coordinate with the Contractor to finalize inspection schedules following award. The inspection schedules will have primary dates and secondary date for the locations listed in "Vehicle Inspection Location". The Contractor shall perform work only during the following times Monday through Friday, 7:00am through 3:30pm except that it may not work on holidays as defined in Appendix B, nor government closure days. Contractors should bid accordingly. Please refer to page 25 of the contract bid book Allowable Work Times.

Consider these changes and information prior to submitting your bid on **October 15, 2025**

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".
