Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Can you confirm the page numbers that are required to be returned in the packet? I believe they are pages: 15,16,18,19-22(2 copies),32,33,41-44. Are there any other documents required for this submission?

Response: The pages that need to be returned with your bid are:

- 10 – Bidder's List Form
- 15 – Contractor Information
- 16 – Notice to Contractors
- 18 – Acknowledgment of Bid Amendments
- 19-26 (2 copies) – Contract Agreement
- 32-33 – Appendix A Schedule of Items
- 41-44 – Contractor's Prequalification Application
- 225-227 – Buy America and Lobbying Regulation Certifications

Question: On page 42 it asks for current EMR. Our current experience rating is a bit above the 1.25. How much of an issue is this with this project?

Response: The Experience Modification Rate (EMR) does not prevent a potential bidder from bidding on this bid opportunity.

Consider these changes and information prior to submitting your bid on **April 15, 2026**.

Sincerely,

George M. A. Macdougall P.E.
