Subject: Snow & Ice Control
WIN:PH20260916SPPO
Location: South Portland & Portland
Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Is a Triaxle truck required to do these lots?

Response: A triaxle truck is not required. Equipment must be capable of snow and ice control for the park and rides.

Question: Is the amount of salt/sand and liquid brine amounts listed in the scope recommended amounts or required?

Response: These are recommended amounts based on history. Actual amounts are dependent on the weather.

Question: Is liquid brine required pre-treat for these lots?

Response: Liquid brine is not required. It is an option.

Question: Is snow removal included if needed?

Response: Yes, it is incidental to the snow and ice maintenance contract.

Consider these changes and information prior to submitting your bid on **September 30, 2026**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
