| 407               | #4   | 27        | 4'-10" | "                |

- Notes:
- (1) Cross hatched areas to be removed. Steel in existing slab to be retained, cut to proper length and used in new curb.
  - (2) Reinforcing steel for substructure work to be taken from stock. Reinforcing steel listed in Reinforcing Steel Schedule is for superstructure only.
  - (3) Location and extent of repair to be determined in field.
