Description

The Contractor shall furnish and deliver the following materials to The Maine Department of Transportation: two floor mounted Cone Drive four-inch CD gear reducer with a 2.9375" gearshift at a 200:1 ratio and one brake motor ¾ HP 600 rpm TENV, 184 frame 30 min. duty, Class BBB insulation strip space heater marine protection, low temp grease with 6lbs/ft Stearns Brake or equivalent.

Delivery

Delivery of finished product shall be on or before date shown in Section B. Time of the Contract. The Contractor shall notify MaineDOT, Mike Orne of Region 2, cell phone 207- 592-1532 a minimum of 48 hours prior to delivery. Alternative contacts are: Cy Adams -207-592-3128. The Contractor shall deliver the materials only during the following times: Monday through Friday, 7:00 AM through 3:30 PM except for they may not deliver on Maine State Government holidays, or government closure days. The Department will off-load the materials at the delivery site.

The supplier shall deliver the products to the Washington Maintenance Lot at 386, Rockland Rd. Maine on a weekday (Monday to Friday).

The supplier will supply MaineDOT Joseph Prescott @ (207) 592-1853, with the appropriate project submittals. Alternative contacts are: Cy Adams of Region 2, cell phone (207)-592-3128.

Contract Administrator

The contract administrator for this contract will be:

Name: Joseph D Prescott
Title: Transportation Resources Manager
Address: Maine Department of Transportation
16 State House Station Road, Augusta, ME 04333-0016

Invoices and Payments The Contractor shall submit an itemized bill to the Department for materials following delivery for approval and payment. At a minimum, invoices shall include the following information:

Contractor name, address & Contract Number
Invoice Date & Number
Dates of Delivery
Items and Quantities at Bid Price

The Department will pay based upon the materials delivered at the prices bid and the invoices approved. Payments to the Contractor shall be full compensation for furnishing all labor, equipment, materials, services, and incidentals used to supply the materials under the Contract in a complete and acceptable manner, and for all risk, loss, damage, or expense of any kind arising

from the nature or prosecution of the Work. The Department may withhold payments claimed by the Contractor on account of incomplete or incorrect invoices or materials that are defective or not in conformance with the contract.

Material Quality Materials and manufactured products shall be new unless otherwise specified, free from defect, and in conformity with the contract. If there is no applicable standard set forth in this Contract for a particular item, then the item shall be in accordance with industry standards prevailing at the time of bid. The Department has the authority to inspect all Materials and every detail of the Work. The Department may reject the finished product if any of the components do not comply with the specifications. The Department may reject materials not conforming to the Specifications at any time.
