(Print Bidder's Name and Title)

Bids are not accepted by email or FAX. If a paper Bid is to be sent express, please take note that overnight services do not always arrive in time. Packages using express services should be sent to Maine Department of Transportation, 24 Child Street, Augusta, Maine.

See bid instructions on page three of the bid book.

Description The Contractor shall furnish and deliver the materials listed in the Schedule of Items in this Appendix in accordance with the contract documents. The structure must meet the requirements of this Contract, the Plans, the State of Maine, Department of Transportation, Standard Specifications, November 2014 Edition including, but not limited to Section 712.061 – Structural Precast Units and Standard Details November 2014 Edition as updated through advertisement, Supplemental Specifications, and Special Provisions including, but not limited to Special Provision, Section 534, **Precast Structural Concrete** (Precast Structural Concrete Box Culvert, Fabrication and Delivery).

Delivery The materials shall be ready for delivery on or before July 1, 2020. The actual delivery date of the materials shall be determined by the project schedule and coordinated with the MaineDOT in conjunction with the Department's Contractor responsible for installing the precast units. The delivery date is expected to be between July 1, 2020 and August 30, 2020.

The manufacturer shall deliver the precast units to the project site on a weekday (Monday to Friday) in coordination with the field site Contractor who is installing the precast units. The precast units shall be delivered to the project site by the manufacturer:

Project: Sanford-Alfred, State Project No. 21823.00P

Location: Located on Route 202, on the Sanford-Alfred town line.

Date: Must be ready for delivery by July 1, 2020 (Contractor and manufacturer will decide exact date and time.)

The onsite contractor must give the manufacturer 7 calendar days' notice of when the structure shall be delivered.

The Contractor who is installing the precast units shall be responsible for unloading the precast units at or near the project site in a timely fashion. Any incidental materials needed to temporarily store the precast units at the project site shall be provided by the Contractor.

The Manufacturer will supply MaineDOT Region 1 Senior Project Manager, LaRay Hamilton, at (207) 885-7029, with the appropriate project submittals. Alternative contact is: Ryan Hodgman, Region 1 Project Manager, (207) 885-7032. MaineDOT shall provide the manufacturer with the contact information for the Contractor responsible for installation of the precast concrete box culvert upon award of the installation Contract. The Manufacturer shall coordinate delivery of the materials with the Contractor responsible for installation of the precast concrete box culvert.
