Contract Administrator The Contract Administrator for this contract will be:

Bill Emery Region 3, Transportation Operations Manager
Maine Department of Transportation
547 Main St.
Dixfield, ME 04224

The Contractor shall contact the Contract Administrator, in order to coordinate the work. The Contractor shall submit invoices to the Contract Administrator as described in this contract.

Contractor Requirements

The Contractor must be able to clean and vacuum catch basins and transport and dispose of collected material as directed by MaineDOT and in accordance with State of Maine rules, laws and regulations.

The Contractor must be able to be notified and the necessary personnel and equipment mobilized and be on site within 48 hours or less when MaineDOT has determined an emergency.

The Contractor equipment unit must have GPS navigation capability. (GPS Coordinates will be provided by MaineDOT).

The Contractor must possess appropriate valid transport license.

Scope and Specifications of Work to be Performed

Work covered by this contract consists of providing all labor and furnishing all equipment, supplies, materials and other applicable tools/items needed to perform the services

Attachment A includes all basins to be cleaned and vacuumed in Region 3. Some basins are cleaned every year and some basins are cleaned every other year.

All routine cleaning of catch basins will be performed as listed below and shall be completed each year by October 31st. The Contractor shall provide and maintain the work schedule and supply to MDOT. Work is to be performed during regular work hours which are normally Monday through Friday between 6:00 AM and 4:30 PM. Work performed outside of regular work hours must be pre-approved by MaineDOT.

Traffic control will be supplied by the Contractor in accordance with MaineDOT rules and regulations, the MUTCD, and Special Provision Section 652.

Emergency and other vacuuming/cleaning of catch basins will be performed on an as needed basis for the whole Region and scheduled and requested by MaineDOT. The Department may increase the number of basins to be cleaned/vacuumed and such increase or decrease shall not be considered Extra Work. When the MaineDOT notifies the Contractor of the additional basins, the MaineDOT will identify if the cleaning/vacuuming is to be paid under Item Catch Basin Cleaning/Vacuuming or Emergency Catch Basin Cleaning/Vacuuming. The Contractor must perform emergency work within 48 hours of notification.

The quantity of catch basins will be identified by Town on Attachment A. An electronic version of the GPS coordinates will be supplied to the successful bidding contractor.

The location of collected and vacuumed material will be transported and dumped as directed by MaineDOT at the nearest Region 3 MaineDOT facilities which are identified on Attachment B.

Equipment –The contractor unit must have GPS navigation capability. (Coordinates will be provided by MaineDOT).

The Contractor must possess appropriate valid transport license.

The Contractor must mark each catch basin that is cleaned with an “X” with white paint on each grate immediately following cleaning.

The Contractor shall complete service reports daily identifying basins cleaned. Service reports are to be submitted weekly for MaineDOT inspection.

Basis of Award

The basis of award for determining the Apparent Low Bidder will be the price given for Section 0001. Section 0002 Emergency Catch Basin Option must be bid on by the bidder, but may or may not be awarded based on the bid prices and the region’s needs.

Method of Measurement

Catch Basin Cleaning/Vacuuming will be measured by the actual number of catch basins cleaned and accepted.

Emergency Catch Basin Cleaning/Vacuuming will be measured by the actual number of catch basins cleaned and accepted for basins the Department designated an emergency.

Basis of Payment

Accepted quantities will be paid for at unit price per basin which shall include full compensation for all equipment, labor, materials and incidentals required. Mobilization will be not be paid for separately and shall be considered incidental to the per basin rate.

The Department will pay based upon prices bid and the invoices provided and approved by the Department. The Contractor shall submit invoices bi-weekly for payment to the Contract Administrator in the Augusta Maine Department of Transportation Office, for services at the completion of the work and acceptance of the finished material

Allowable Work Times

The Contractor shall perform work only during the following times Monday through Friday, 6:00AM through 4:30 PM except for they may not work on holidays as defined in Appendix B nor government closure days unless otherwise directed by the Department.

Changes

The Department may increase or decrease Pay Item quantities from the estimated quantities shown in the Bid Documents, and such increase or decrease shall not be considered Extra Work. Except as expressly provided otherwise in this Contract, the Contractor shall be paid for actual Work authorized and performed at the Unit Prices contained in the Contractor's Bid. The Contractor accepts such payment as full and complete compensation.

Default and Termination

The Contractor is in Default of the Contract if the Contractor:

- A. Fails to provide labor, Equipment or Materials specified in the Contract,
- B. Fails to perform the Work with sufficient labor, Equipment, or Materials to assure the timely Completion of the Work,
- C. Fails to perform Work when specified in the Contract.
- D. Performs Defective Work, neglects or refuses to repair or correct Unacceptable Work when directed by the Department;
- E. Becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency that could affect the Work in any way,
- F. Continues to perform Work after the Department directs that Work be stopped,
- G. In any other manner, fails to perform the Work in Substantial Conformity with any material provision of the Contract.

Failure by the Contractor to perform the Work when required or to substantially meet other contractual requirements will result in the following actions:

- 1st Incident: If the Contractor does not take corrective action within 2 days upon receipt of verbal warning, the Department will issue a written warning.
- 2nd Incident: The Department will issue a written warning.
- 3rd Incident: The Department may (A) give written Notice of Default to the Contractor and immediately terminate the Contract by written Notice of Termination, or (B) take prosecution of the Work away from the Contractor without violating the Contract.

If Default occurs, the Department may give written Notice of Default to the Contractor. Failure to give Notice of Default is in no way a waiver by the Department of any provision of the Contract. In this event, the Department may enter into an Agreement with another entity for the Completion of the Work, or use such other methods as in the opinion of the Department are required for the Completion of the intent of the Contract in an acceptable and timely manner. Termination of the Contract or portion thereof shall not relieve the Contractor of its Contractual responsibilities for the Work completed (including warranty obligations), nor shall it relieve the Surety of its obligation for claims arising from the Work or the Contract. The Department will pay for all Accepted items of Work as of the date of Termination at agreed upon prices. The Contractor shall make all Work records available to the Department upon request regarding payment under this Section.
