B) U.S. Fish and Wildlife Service - General Award Terms and Conditions

Recipients of U.S. Fish and Wildlife Service (Service) grant and cooperative agreement awards (hereafter referred to as 'awards') are subject to the terms and conditions incorporated into their Notice of Award either by direct citation or by reference to Federal regulations; program legislation or regulation; and special award terms and conditions. Award terms and conditions are applicable unless and until the USFWS removes or revises them in written notice to the recipient. The Service will make such changes by issuing a written notice that describes the change and provides the effective date. Recipients indicate their acceptance of an award by starting work, drawing down funds, or accepting the award via electronic means. Recipient acceptance of an award carries with it the responsibility to be aware of and comply with all terms and conditions applicable to the award. Recipients are responsible for ensuring that their subrecipients and contractors are aware of and comply with applicable award statutes, regulations, and terms and conditions. Recipient failure to comply with award terms and conditions can result in the Service taking one or more of the remedies and actions described in Title 2 of the Code of Federal Regulations (CFR) §§200.339—343.

A PDF of these terms and conditions with embedded links to all regulations is available on the Service's website at: <https://www.fws.gov/media/fws-financial-assistance-award-terms-and-conditions-2020-12-31>. 4) Build America Buy America

The Build America Buy America Act, enacted as part of the Infrastructure Investment and Jobs Act on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects after May 14, 2022. The domestic content procurement preference requires that all iron, steel, manufactured products, and construction materials used in covered infrastructure projects are produced in the United States. This project is subject to two approved waivers of the Build America Buy America Act through its funding sources and funding contributions from the Passamaquoddy Tribe. These waivers include a full waiver of all non-compliant sourced items up to \$11,589,176 and a waiver on the full project for Manufactured Products as defined consistent with OMB regulations, 2 CFR § 184.3. We do ask that applicants track all purchases that would be subject to Build America Buy America requirements so we can track compliance with applicable requirements and waivers. Information on approved waivers is available here: <https://www.commerce.gov/oam/build-america-buy-america>
