**Supplemental Question(s) for 116.00 Data Services**

**RESUME REMINDERS FOR SERVICE # 116.00:**

- Include the following:
  - Specific Transportation-related experience in any of the data service areas (listed in Question 1) explicitly noted for each resume
  - Expertise in Linear Referencing System, along with the software utilized
  - MIRE Expertise and example of a project where it was utilized
  - Experience with BIM, digital delivery, or automation of data in construction

**Supplemental Question:**

1. Does your firm have experience with the following data service areas? **If yes**, please submit, as a separate attachment to the submittal email, up to two (2) measurable, outcome-focused example projects for each, not to exceed one (1) page per example. Please only include transportation-related projects.
