RE: Support Letter for Maine Department of Transportation (MaineDOT) Application to the
Federal Transit Administration Low or No Emission Grant Program

Dear Secretary Buttigieg,

It is with great pleasure that I submit this letter in support of the Maine Department of
Transportation's (MaineDOT) application for funding through the Federal Transit Administration
Low or No Emission Grant Program. MaineDOT, in partnership with seven Maine transit
agencies, is seeking funding for low and no emissions buses and vans for transit service across
Maine, including associated infrastructure and staff training and workforce development.

These hybrid and electric vehicles will replace existing diesel and gasoline vehicles, expanding
access to clean and sustainable transportation for thousands of Maine transit riders. The
supporting infrastructure, which includes vehicle chargers, will ensure that these vehicles operate
reliably and efficiently for the duration of their useful lives. Furthermore, the training and
workforce development will ensure a skilled, diverse, and sustainable labor pool.

Introducing these vehicles will reduce greenhouse gas emissions, mitigating the impacts of
climate change, and directly supporting the goals of the state's climate action plan "Maine Won't
Wait" and corresponding Clean Transportation Roadmap, which calls for continuing to
decarbonize Maine's transportation sector.

I strongly support MaineDOT's grant application for this important project. I am hopeful that
you will give the project your full consideration and award the requested funding.

Sincerely,

Stephanie Carver
Transportation Director
