MaineDOT is proud to offer our 18 hour traffic signal training program at Mid-Coast School of Technology. These courses will cover topics from safety and maintenance to operation and general understanding. They are presented by experienced State of Maine employees and representatives from the private sector. Attendees are encouraged to bring their laptop.

Each afternoon there will be various hands-on stations covering controller, detection, equipment maintenance & RWIS. The course is comprehensive and attendance at all three days is recommended. 6 PDH credits per day will be provided.

Classes begin each day at 7:30 am (registration & breakfast) and conclude by 4pm, with a **1 hour** catered lunchbreak

TUESDAY

APRIL 21

- Vendor Highlights
