

STATE OF MAINE

Memorandum

To: Kirk F. Mohny, MHPC
From: Julie Senk, Maine DOT/ENV
Subject: Section 106 request for concurrence
Project: Bangor-Brewer 21713.07, MHPC #0625-26
Scope: Bridge Rehabilitation

Date: July 10, 2026

The Maine DOT has reviewed this project pursuant to the Maine Programmatic Agreement (PA) and Section 106 of the National Historic Preservation Act of 1966, as amended.

The proposed project consists of bridge rehabilitation to Veterans Remembrance Bridge #1558 that carries Interstate 395 over the Penobscot River in Bangor and Brewer.

In accordance with 36 CFR Part 800.4, the following identification efforts of historic properties were made:

- 800.4(a) (1) - The Area of Potential Effect (APE) includes properties/structures adjacent to the bridge and within the project limits. The project limits are defined by the structure and the immediately adjacent area, as well as potential approach roadway and intersection improvements nearby. Properties/structures adjacent to this project limit are considered to be within the APE. The APE is shown as a red polygon on the attached map.
- 800.4(a) (2) - Review of existing information consisted of researching the National Register and MHPC survey databases. The Maine Historic Preservation Commission archaeological staff has reviewed this undertaking.
- 800.4(a) (3) - The Town of Brewer and City of Bangor, along with applicable historical societies, were contacted via email and asked to comment on knowledge of, or concerns with, historic properties in the area, and any issues with the undertaking's effect on historic properties. The Town and City were also requested to provide information regarding local historic societies or groups. No replies were received.
- 800.4(a) (4) - Emails outlining project location and scope were sent to the 4 federally recognized Tribes in Maine. The Penobscot Nation replied with no concern.
- 800.4(c) - The Maine DOT conducted historic architectural surveys within the APE and determined that no architectural properties are eligible for listing in the National Register of Historic Places. Maine Historic Preservation Commission archaeological staff reviewed the undertaking and recommended a finding of "no archaeological properties affected."

In accordance with 36 CFR Part 800, the Maine DOT has determined that no historic or prehistoric archaeological properties or historic architectural properties would be affected by this undertaking.
