Re: Assurance of Matching Funds

This letter serves as evidence of assurance by the State of Maine Department of Transportation (MaineDOT) that matching funds for the FY 2026 Nationally Significant Multimodal Freight and Highways Projects (INFRA) grant application "Restoring Interstate Durability for the Economy and Safety 4 Maine (RIDES 4 ME) Project" submitted by MaineDOT are funds that are committed and will be provided.

MaineDOT is seeking \$71,760,00 in FY-2026 INFRA grant funding, matched by \$23,920,000 in Other Federal Funding and \$23,920,000 State Funding, should funds be received. This project is included in MaineDOT's Work Plan and the Statewide Transportation Improvement Program (STIP). It is consistent with MaineDOT's statewide strategic transit plan and long-range plan. MaineDOT is committed to providing matching funds for the Federal funds requested.

Sincerely,

Dale F. Doughty
Commissioner
