# MaineDOT AASHTOWare *ESTIMATION*

The [Concept Overview](#) will open. Type “[Gen](#)” into the search. [Concept ID](#) list will open. Click on the [Action](#) button on the right of the [Concept ID](#).

The screenshot shows the software interface with a top navigation bar containing 'Home', 'Previous', and 'My Pages' dropdown menus, and 'Actions', 'Help', and 'Log off' buttons. Below this is a 'Concept Overview' section with a 'Save' button and a help icon. A search bar contains the text 'Gen', with a red arrow pointing to it. To the right of the search bar are 'Advanced' and 'Showing 1 of 1' options. Below the search bar is a table with the following structure:

Concept ID	Concept Description	Improvement Type	
<a href="#">Regional_Generic</a>	<a href="#">Copy ProjEx Project Title</a>		<a href="#">Click here.</a>

At the bottom right of the table, there is a status indicator: '0 marked for deletion | 0 changed'. A red arrow points from the 'Click here.' text to a small blue arrow icon in the table's rightmost column. A large red arrow points to the 'Regional\_Generic' link in the 'Concept ID' column.

# MaineDOT AASHTOWare *ESTIMATION*

The *Actions* dropdown will open. Click on the *Copy Concept Snapshot...*

The screenshot displays the software interface for 'Concept Overview'. At the top, there are navigation buttons for 'Home', 'Previous', and 'My Pages', along with 'Actions', 'Help', and 'Log off' options. Below this is a search bar containing 'Gen' and a 'Save' button. The main area features a table with columns for 'Concept ID', 'Concept Description', and 'Improvement Type'. A single row is visible with 'Regional\_Generic' as the ID and 'Copy ProjEx Project Title' as the description. An 'Actions' dropdown menu is open over the table, listing various options such as 'Copy', 'Delete', 'Export Concept Cost Estimates', and 'Tracked Issues'. The 'Copy Concept Snapshot...' option is circled in red, and a red box with the text 'Click here.' has an arrow pointing to it. A red-bordered text box on the left contains a 'PRO-TIP'.

Concept ID	Concept Description	Improvement Type
Regional_Generic	Copy ProjEx Project Title	

**PRO-TIP:** Always use **Copy Concept Snapshot** so the existing **Concept** will not be over-written. If a snapshot is not available, make a snapshot of the **Concept** to be copied prior to copying the **Concept**.

# MaineDOT AASHTOWare *ESTIMATION*

The **Copy Concept Snapshot** window will open. Click on the type of generic **Cost Estimate** template based on the scope of the project. A **green** check mark will appear on the right of the **Cost Estimate** template. Add the **New Concept ID** and **New Cost Estimate** name. Click on **Copy Concept Snapshot** to **Save**.

The [Cost Estimate Summary](#) page will open showing the new [Cost Estimate](#). If any revisions are needed to be made to the [Estimate Information](#) the revisions can be done now and saved. Once saved click on the [Item Pricing Worksheet](#).

The screenshot displays the AASHTOWare ESTIMATION software interface. At the top, there are navigation tabs: Home, Previous, and My Pages. On the right, there are icons for Actions, Help, and Log off. Below these are navigation links: Overview, Contingency Assignment, Funding: Assign to Items, Fund Package Overview, Life Cycle Costs, Typical Sections, and Item Pricing Worksheet. The main heading is "Cost Estimate Summary". Below this is a blue bar with the text "Cost Estimate: 28898.00\_PS&E\_D2\_DCC - Ultra-thin bonding wearing course with drainage and sa..." and buttons for Save and a help icon. A left sidebar contains a list of menu items: General, Cost Summary, Categories, Cost Estimate Items, Variables, Adhoc Pricing, Non-Construction Costs, Markups, and Annualization. The main content area is divided into sections: "Parent Attributes" and "Estimate Information". The "Estimate Information" section is circled in red and contains the following fields: "Cost Estimate Name\*" with the value "28898.00\_PS&E\_D2\_DCC" and "Design Build" with an unchecked checkbox. The "Parent Attributes" section contains: "Associated Type" (Concept), "Entity" (028898.00\_DCC), "Entity Description" (WOOLWICH US Route 1 UTBWC), "Spec Book" (90), "Unit System" (English), and "Improvement Type" (Work Type).
