Re: Assurance of Matching Funds

Dear Administrator Carmel:

This letter serves as evidence of assurance by the state of Maine Department of Transportation (MaineDOT) that matching funds for the FY 2026 Port Infrastructure Development Program (PIDP) grant application *Modernization and Investment in New Equipment (MAINE)* Project, submitted by MaineDOT, are committed and will be provided. Matching funds are currently available and will continue to be so prior to obligation of funds.

MaineDOT is seeking \$2,318,400 in FY 2026 PIDP funds, matched by \$579,600 in state funds. This project will be included in MaineDOT's Work Plan, and the Statewide Transportation Improvement Program (STIP). It is consistent with MaineDOT's long-range plan.

Sincerely,

A handwritten signature in black ink, reading "Dale F. Doughty".
