

# MaineDOT Qualified Products Acceptance Criteria

## Traffic Control Devices

### Overview

Traffic control devices include, but are not limited to, the following:

Delineators

Channelizers

Longitudinal Flexible Markers

Tubular Markers

Cones

Drums

Crash Cushions (Please see Crash Cushions and Impact Attenuators on the Qualified Products List)

Curb Systems

Barricades

### Criteria

Maine Department of Transportation Standard Specifications Section 652 Maintenance of Traffic  
National Cooperative Highway Research Program Report 350 NCHRP350 or MASH (latest version)  
Manual on Uniform Traffic Control Devices MUTCD 2011 (and revisions)

MaineDOT's Transition of Work Zone Traffic Control Devices to MASH, 01/05/21

As of June 1, 2020, ALL products being submitted must be MASH 2016 compliant.

**PRODUCT CONFORMITY: At the discretion of MaineDOT, any shipment of product to a MaineDOT location may be tested, such as by infrared or gas chromatography, for compliance with the SDS and uniformity with the formulation of the approved product (where applicable).**

*NOTE: MaineDOT may require a field evaluation before final acceptance and inclusion on the Qualified Products List (QPL).*

A vendor who wishes to have products preapproved for future use should contact MaineDOT's Product Evaluation Coordinator via email at [NewProducts.MaineDOT@maine.gov](mailto:NewProducts.MaineDOT@maine.gov) or by calling (207) 557-1788. More information can also be found on our website, including our electronic submittal and recertification forms.

### Submittals

Product Submittal Packets shall include the following information:

- [Electronic New Product Submittal](#) form
- Current Technical Data Sheet
- Current Safety Data Sheet (SDS)

# MaineDOT Qualified Products Acceptance Criteria

## Traffic Control Devices

- Third Party, Independent Test Results OR AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) testing ID for those products requiring this testing

**Incomplete submittals will not be evaluated for inclusion on MaineDOT's Product Lists.**

All reports shall be issued and signed by an authorized laboratory representative. The report shall include date of testing, product name, and the physical and/or chemical requirements stated herein.

### Product Changes

Any change in a product, such as formulation, shall require re-testing (through AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) if required) or independent, third-party lab. Manufacturers shall notify MaineDOT of products changes and resubmit as a new product for re-evaluation, failure to do so may result in removal of product from MaineDOT's QPL.

Manufacturers shall submit, for re-evaluation, an updated independent analytical laboratory report (or AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) testing ID) prior to approval or purchase by MaineDOT.

### Recertifications

MaineDOT requires re-certification by all manufacturers every five years (except for electrodes used for field welding which are recertified every year) to ensure that product names and formulations have remained the same since the product was originally placed on this list and that products are still relevant and in production. Where applicable, this shall include the most recent AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) testing ID. Additionally, AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) provides for retesting products. A lapse of AASTHO Product Evaluation & Audit Solutions (formerly NTPEP) testing/audit schedule as set forth in the associated workplan shall result in disqualification of the product.

Manufacturers of any products requiring MASH testing must contact MaineDOT Product Evaluation Program of any changes to their products. Manufacturers are responsible for tracking their recertification dates, reminders will not be sent. Failure to recertify products may result in removal from the QPL. Recertifications can be completed using the [Electronic Certificate of Compliance](#) found on our website.

### Other Information

The Department continues to evaluate its Acceptance Criteria and reserves the right to revise the criteria and/or withdraw product qualification at any time for any reason without notice.

Furthermore, the ability of a product to meet these requirements does not necessarily guarantee addition to the Qualified Products List. Reminder that, products once placed on the Qualified

---

Products List are to be considered prequalified for use only, meaning that they have undergone preliminary review for compliance with MaineDOT, and AASHTO specifications. As with all products, final approval rests with the Designer, Project Manager, Supplier and/or Resident to determine if a product best suits the need of a particular project.

If you are experiencing difficulties reading or printing this page, or have questions regarding the Qualified Products List website, please contact the Product Evaluation Program Coordinator at (207) 557-1788 or by email at: [NewProducts.MaineDOT@maine.gov](mailto:NewProducts.MaineDOT@maine.gov)
