

MAINE LOCAL ROADS CENTER

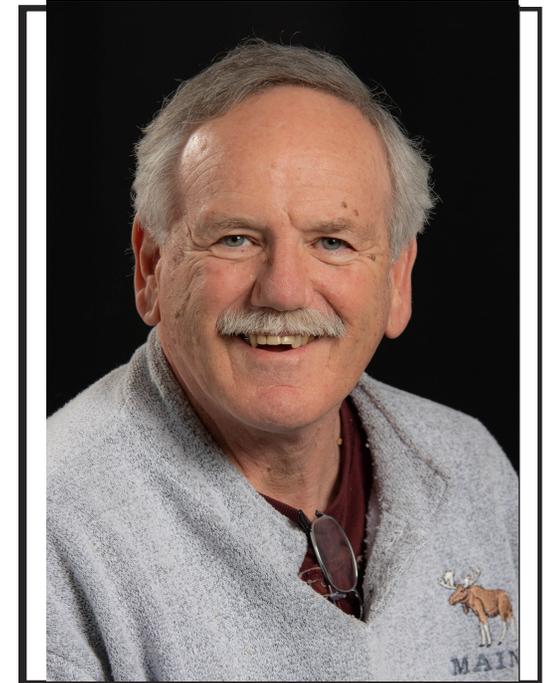

Maine Department of Transportation
Community Services Division
16 State House Station
Augusta, Maine 04333-0016
<http://www.maine.gov/mdot/mlrc>

The Maine Local Roads Center is pleased to offer the consulting services of PAUL BROWN to municipalities throughout the state. Paul brings many years of hands-on experience in public works. The Center has contracted with Paul to provide **FREE CONSULTING SERVICES** directly to towns, **at the garage** or on the **job site**. Paul is available to answer any public works-related questions, as well as meet with personnel and/or Committees. Paul also teaches a variety of workshops and has a great way of working with people. Would you like to make a request for services or get more information? We can be reached by calling the Center at:

**1-800-498-9133 or
207-624-3270**

PAUL BROWN

MAINE'S "ROAD RANGER"

*Providing free, onsite,
local road assistance to
communities throughout
the State of Maine.*

"SHORT SHOPS"

Paul can provide training on the following subjects:

Snow and Ice control
Roadway Fundamentals
RSMS
Drainage, Drainage, Drainage

"Short shops" are free 1/2 day workshops, held on-site, and can be customized to meet the needs of the municipality.

HOW CAN PAUL HELP?

Paul is the owner of Roadtech, Inc., a training & consulting company focused on public works related issues. Paul has over 40 years in the road & winter maintenance & pavement preservation industry. Paul comes most recently from Massachusetts DOT as the Director of snow & ice operations. He has extensive knowledge of road maintenance techniques, winter operations and public works operations. He has shared his knowledge across the country by working with Municipal & State agencies as a consultant. He has served on many national committees & peer exchanges to assist the industry to improve methods & techniques.

HOW CAN PAUL HELP?

Just call the Maine Local Roads Center & we can arrange to have Paul contact you within a day or two. Paul can provide on-site assistance on the following local road topics and more.

- ◆ *Snow & Ice Control*
- ◆ *Project Management*
- ◆ *Roadwork Planning*
- ◆ *Road Grading*
- ◆ *Equipment*
- ◆ *Road Reconstruction*
- ◆ *Paving*
- ◆ *Road Maintenance*
- ◆ *Drainage Issues*
- ◆ *Culvert Installation*
- ◆ *Reclaiming*

and much, much, more...

Paul can meet with road crews, elected officials, as well as town road committees throughout the state!
