
***Notice of
AN INFORMATIONAL
PUBLIC MEETING
IN SKOWHEGAN***

**To Discuss the
Skowhegan Second River Crossing Project**

**Wednesday, October 1, 2025
From 6:00 P.M. – 8:00 P.M.
At the Skowhegan Public Safety Building
51 E Madison Road, Skowhegan, Maine 04976**

Please join MaineDOT on October 1 for an Informational Public Meeting for the Skowhegan Second River Crossing Project. The second crossing will connect Maine Route 150 and US Route 2 on the north side of the river with US Route 201 to the south. The Project seeks to address transportation challenges and enhance safety, accessibility, and mobility around Skowhegan.

The Department and their Consultants will present information on the status of the project, design phases, conceptual alternatives, and the upcoming environmental review. We are interested in hearing local views on the second crossing alternatives.

Anyone with interest is asked to attend. MaineDOT invites and encourages you to attend the meeting and share your thoughts on this project.

Accommodations will be made for persons with disabilities. Please call in advance to request auxiliary aids. Translation services for non-English speakers will be provided upon request with reasonable advance notice.

Questions, comments, or inquiries can be directed to the Project Manager listed below.
