

In Person PUBLIC MEETING Sanford Downtown Project

MaineDOT

To discuss the Constructability of the City of Sanford and the Maine Department of Transportation (MaineDOT) Federal RAISE Grant Project for infrastructure improvements in the Downtown area.

The project will make complete street improvements on approximately 0.7 miles on Cottage Street (Route 202), approximately 0.5 miles on William Oscar Emery Drive, approximately 0.5 miles of Main Street (Route 109), approximately 0.2 miles on Washington Street, and approximately 0.2 miles on School Street in downtown Sanford. This project will replace and/or construct the street, sidewalks, crosswalks, underground utility ducts, streetlights, upgrade traffic signals, parking spaces, drainage areas, a multi-use pathway, and a Park & Ride facility on Emerson Street.

MaineDOT will have a live presentation during this Public Meeting, to present information about the proposed project, with a focus on Constructability.

MaineDOT invites and encourages you to attend the in person public meeting on Thursday, November 20th, 2025, from 6:00 PM – 8:00 PM at the City Council Chambers, 919 Main Street, Sanford, Maine 04037.

Questions, comments, or inquiries can be made at the in-person meeting and can also be directed to the Project Manager listed below.
