Provided below are submitted written questions received and MaineDOT's answer.

1	Question
	What is the anticipated project schedule and milestones for the Master Plan Update? Can you provide dates for: Initial Project Kick-off, MaineDOT and Other Aviation Agency Reviews, and Final Plan Report submission/presentation?
	Answer
	Prospective Consultants should include a project schedule with milestones in their RFQ submittal. The project will be reviewed and agreed upon with the selected consultant.

2	Question
	Is the contract language negotiable?
	Answer
	No.

3	Question
	We understand the scope has already been approved for the project by FAA. Will you share the scope for us to review?
	Answer
	The scope for the KAUG AMPU update will be shared and reviewed with the selected consultant. See below question for additional information.

4	Question
	If you are unable to share the scope can you list the primary focus areas of the Master Plan?
	Answer
	Yes, Primary Focus areas from the approved scope include an inventory of existing conditions at the airport, an ALP update to include new base mapping, photo and obstruction data screening. Additionally, Commercial/General Aviation Activity Usage and Trends will be analyzed and used to forecast KAUG's future infrastructure plans.
