

RESPONSE PROTOCOL

The State Fire Marshal's Office Investigations Division Shall be Immediately notified of the following situations:

- ✓ Any FIRE or EXPLOSION where Arson is suspected
- ✓ Any FIREFIGHTER LINE OF DUTY DEATH
- ✓ Any FIRE or EXPLOSION resulting in death or injuries where the victim has been transported by ambulance
- ✓ Any AMUSEMENT RIDE incident resulting in death or injuries
- ✓ Any FIREWORKS incident resulting in death or injuries
- ✓ Any EXPLOSIVE DEVICE or INCENDIARY DEVICE that has been found prior to or following initiation
- ✓ Any known or suspected ILLEGAL SALES or ILLEGAL MANUFACTURING of consumer or commercial fireworks
- ✓ Any known or suspected COMMERCIAL BLASTING violations
- ✓ Any FIRE or EXPLOSION where Arson is NOT suspected may be investigated by the State Fire Marshal's Office upon the discretion of the Investigations Sergeant

A request for the State Fire Marshal's Office Investigations Division shall be made through the local State Regional Communications Center. An Investigations Sergeant will assess the incident and determine an appropriate response.
