**INSPECTIONS: Inspections are required prior to opening. Call AT LEAST two (2) weeks prior to your scheduled opening date to schedule an inspection. Inspection must be scheduled based on when amusement devices or rides will be ready for inspection. Report which rides will be inspected so we can schedule an appropriate number of inspectors to do the inspection and so the inspectors can have the appropriate paperwork when they do the inspections. Amusement rides or devices must display a valid inspection decal when they are being operated.**
