(Updated 10/1/2026)

This list includes those Maine chimney sweep organizations that were discovered through a web search, or they have asked to be added to this list. If you would like to have your organization's information included on this page, please contact the Maine State Fire Marshal's Office at michelle.mason-webber@maine.gov . It is the responsibility of the user of this list to request information from the organization as to their level of chimney inspection certification, the source of that certification and the organization's level of expertise in this area.
