

FY 2015 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary

The following subgrants were under this program

Award period: October 01, 2014 to September 30, 2018

Total Federal Award \$ 915,501.00

Law Enforcement Allocation Category			
County	Agency	Contact	Purpose
Androscoggin AND-01-15	Sabattus Police Department	Chief Gary Baillargeon 190 Middle Road, Sabattus ME 04280 Website: http://www.sabattus.org/police-department	<p>The Mechanic Falls Police Department is looking to add optics to our patrol rifles. We have chosen a sight that the user to maintain a somewhat normal vision while looking through the sight. This enhances officer safety as the officer can maintain a normal field of view while looking through the sight. This sight also allows us to keep the standard iron sights on the rifle as a back-up if the holographic sight were to become damaged and inoperable.</p> <p>Livermore Falls Police Department will purchase an Electronic Weapon and associated equipment to begin the replacement of obsolete and unserviceable equipment. This will allow officers to continue to have a full set of defensive tools as needed. The electronic weapon will be issued to a full-time patrol officer and the obsolete unit will be utilized as a reserve weapon until it fails.</p> <p>Androscoggin County Sheriff's Office will purchase Tasers and associated equipment to provide additional resources for our deputies.</p> <p>The Lisbon Police Department will purchase bullet proof vests to provide additional safety and security to our police officers when responding to calls where weapons are involved.</p> <p>The Sabattus Police Department will purchase new semi-automatic pistols to allow use to respond to violent calls with the proper tools. The department will also purchase trauma kits for assignment to patrol officers for the safety of violent crime victims, aggressors, and themselves.</p> <p style="text-align: right;">AND-01-15 \$ 10,101.00</p>
Aroostook ARO-01-15	Aroostook County Sheriff's Office	Chief Deputy Shawn Gillen 25 School Street, Suite 216, Houlton, Maine 04730 Website: https://www.arostook.me.us/departments/sheriff.html	<p>The Aroostook County Sheriff's Office is proposing the acquisition of 200 foot nylon measuring tapes. The purpose of the measuring tapes is to enhance investigations of motor vehicle crashes and improved crime scene documentation.</p> <p>The Ashland Police Department plans on purchasing a Jump Starter Instant Power Inverter that will be used to assist stranded motorists in need of a jump start and to provided power at a remote scene where no power is available.</p> <p>The Caribou Police Department will use FY16 BYRNE/JAG funding to purchase a cage for a police cruiser. Our goal is to make our police cruiser safer, better equipped and ready to deal with regular complaints and major incidents.</p>

County	Agency	Contact	Purpose
			<p>The Fort Fairfield Police Department will use the funding to purchase 2 body cameras to augment the 2 cameras already in use and ensure that all full-time officers have a camera assigned to them.</p> <p>The Fort Kent Police Department would use the grant fund for the purchase of a digital camera and accessories. This camera will be used for surveillance and on-scene photography.</p> <p>The Houlton Police Department intends to purchase a ballistic vest to provide additional safety and security to our police officers when responding to calls where weapons are involved.</p> <p>The Limestone Police Department intends to use the 2015 Byrne Jag Grant funds for the purchase of one Hytera MD652G-V1 mobile radio, two UA901 VHF Commercial Programmable Narrowband Radios with Li-ion Batteries and one 8 Radio Rapid Li-ion Battery Charging Station for UA901 radios.</p> <p>The Madawaska Police Department will use the funds to purchase accident report cards, warning cards and DVDs to be used for crime scenes, accidents and to record evidence videos.</p> <p>The Presque Isle Police Department will use the Byrne/JAG funds to further 's continued Community policing effort by aiding in crime prevention outreach to the residents and guests of Presque Isle. The anticipated timeline for completion of this project is September 2016. This crime prevention Outreach includes continued interactive website development including photographic services. Also, to provide improvements to our ongoing local community events hosted by the police department. Adding staging and microphones to the current system would significantly improve our events and attract additional Presque Isle residents/guests to our community events.</p> <p>The Van Buren Police Department plans to use Byrne funds to repair and purchase batteries for our radios.</p> <p>The Washburn Police Department will use the funds from the Edward Byrne Justice Assistance Grant Program for the fiscal year 2015 to purchase uniform shirts and uniform pants as well as Corcoran boots. These uniforms and boots will be used to outfit two new hired police officers in our department.</p>

FY 2015 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary

The following subgrants were under this program

Award period: October 01, 2014 to September 30, 2018

Total Federal Award \$ 915,501.00

<p>Cumberland CC-01-15</p>	<p>Windham Police Department</p>	<p>Chief Kevin L. Schofield 375 Gray Road Windham, Maine 04062 Website: http://www.windhammaine.us/170/Police</p>	<p>The Bridgton Police Department will be utilizing the funds awarded from the Edward J. Byrne Memorial Assistance Grant to purchase a new server for our records management system. The current server is at the end of its useful life and needs to be replaced and software upgraded.</p> <p>The Brunswick Police Department proposes to use the funds from the FY 2015 Edward Byrne Memorial Justice grant to purchase equipment. Our patrol rifles are ten years old and in need of replacement. We will purchase 6 new rifles in exchange for some grant funding and trade-in of the old rifles. The drug scale will allow us to easily and accurately measure seized drugs. The wireless game camera and portable radio alarm system will enhance our capability to detect and solve burglaries. The radio alarm system can also be used in conjunction with a panic alarm in domestic violence cases.</p> <p>The Cape Elizabeth Police Department will be using the funds awarded from the 2015 Edward J. Byrne Memorial Assistance Grant to purchase new holsters for Tasers. The Department is upgrading to the new "Smart Taser" and unfortunately it means that new holsters must be purchased.</p> <p>The Cumberland County Sheriff's Office intends to use the funds awarded under the grant to contract with a local video production company to produce a recruiting video. The video would be put out to the public by both traditional and contemporary methods to increase the number and diversity applicants for job openings.</p> <p>The Cumberland Police Department will be using the award funds to assist us in purchasing 2 new Tasers from Taser International. Costs in excess of the grant award will be borne by the department operating budget.</p> <p>The Falmouth Police Department will utilize the 2015 Byrne Grant to purchase three Portable Scene Lights. These lights will assist during low light conditions in managing crime scenes for evidence processing and rescue operations.</p> <p>The Freeport Police Department will use the funds award from the Edward Byrne Memorial Assistance Grant to purchase a variety of police equipment items. Items are Plate Carriers, AK Mag Pouches, M18 Single Smoke Pouches, General Purpose Pouches, Medical Kits (tourniquet/ pad), and Cruiser control strap restraints</p> <p>The Gorham Police Department will be using the funds from the Edward Byrne Memorial Assistance Grant to provide funding for equipping a new cruiser. Due to growth in the Department, an extra cruiser had to be added. The cost is extreme because it is an additional car. In addition to the cost of</p>

			<p>the car itself, there are costs for: lighting/ sirens, decals/ striping, containment system/ storage, radio/ mounting, computer/ mounting, rifle/ shotgun, radar unit, spike mat and flashlight. Only the emergency lighting/ siren and containment/ console systems will be purchased with this grant funding.</p> <p>The Scarborough Police Department will be using the funds awarded from the 2015 Byrne Grant to purchase six Storage Organizer Cargo Boxes for Cruisers.</p> <p>The Windham Police Department will utilize funds from the fiscal year 2015 Edward Byrne Memorial Justice Grant to purchase four (4) X26P Tasers, holsters, duty and training cartridges and battery packs. The department current utilizes X-26 Tasers which are being phased out of production by Taser international. This will assist us in our ability to transition into the new model Tasers. Costs more than the grant award will be borne by the department operating budget.</p> <p>The Yarmouth Police Department will use the funds awarded to us under the Edward Byrne Memorial Justice Assistance Grant to offset the expense of procuring a Varda Alarm. This alarm system will be utilized as a means of securing personal protection for domestic violence or stalking victims. A Varda Alarm Is a voice-activated radio dispatched alarm that when "tripped" broadcasts the category of alarm and the transmitter location over our police radio frequencies using a pre-recorded audio message. As the purchase price of one Varda Alarm is much higher than the awarded JAG grant, the Yarmouth Police Department agrees to provide the remaining funding</p> <p style="text-align: right;">CC-01-15 \$34,583.00</p>

Franklin FRA-01-15	Jay Police Department	Chief Richard Caton 340 Main Street Jay, Maine 04239 Website: https://www.jaypolice.org/	<p>The Jay Police Department would like to use the grant money to purchase a Level IIIA foldable Kevlar Personal Shield and two carry bags for this shield and the one previously purchased. This will give better protection for officers in high risk dangerous situations and keep the items in great condition while in the patrol vehicles.</p> <p>The Farmington Police Department's project will be to use our award to purchase twelve (12) Taser Axon Body 2 body cameras along with five (5) Taser Signal Devices. This will allow us to upgrade from our existing cameras which are near the end of their effective lifespan. These new cameras will allow recording in high definition with a greater field of view than the original cameras.</p> <p>The Franklin County Sheriff's Department has two K9 teams which perform both tracking and narcotic detection tasks. From time to time it is necessary to transport both dogs in the same vehicle. As is common with police dogs, the K9's do not tolerate being in the same cage. The purchase of one all aluminum K9 crate will allow for transportation of both K9's in one vehicle as well as provide a safe place for the K9 while at home and unattended. The purchase of one modern dual-lane radar will ensure that all our patrol vehicles are equipped with radar to enforce traffic speed laws.</p> <p>The Rangeley Police Department will use the grant money to purchase one (1) Mossberg 590A1 Tactical 12-gauge pump shotgun for the Patrol Officers cruiser. The balance amount of this purchase will be the responsibility of the Rangeley Police Department. The Mossberg 590A1 Tactical 12-gauge pump shotgun will be kept in the patrol cruiser to be used as a secondary weapon and will provide the officer with a tactical advantage in many situations.</p> <p>The Carrabassett Valley Police Department has recently purchased a new Ford Explorer. In addition to a top of the line emergency lighting system we will be lettering the vehicle with reflective markings to increase the visibility of the vehicle to commuter traffic. The intention is to decrease traffic violations by being highly visible and proactively patrolling during peak commuter traffic periods. This will hopefully prevent and decrease traffic accidents.</p> <p>The Wilton Police Department will use the Byrne JAG Grant Funds to enhance security measures with concealed weapons permits, enhance Officer Safety with new equipment and increase morale by enhancing the Officer's professional appearance. This will be accomplished by purchase of an</p>

			Identification Software Printer System to incorporate a photo into the identification permit for concealed weapons. Appearance with be enhanced by purchasing Class A uniform pants for full time officers. For safety, the Department will purchase secure ammunition pouches and upgrade the holsters for plain clothed officers. <p style="text-align: right;">FRA-01-15 \$12,210.00</p>
Hancock HAN-01-15	Bucksport Police Department	Chief Sean P. Geagan 89 Franklin St. Bucksport, ME 04416 Website: http://www.bucksportmaine.gov/police	<p>It is the intent of the Bucksport Police Department to assist not only the Department by purchasing needed equipment to do the job and stay safe. But to also assist in helping the local and national economy grow by purchasing this equipment from local and national companies. The Police Department has prioritized its list of needs for the department when looking at the funding. We will be looking at both Officer and Citizens safety with this grant. We will be purchasing 2 new rifles and sites for our existing rifles.</p> <p>The Ellsworth Police Department would like to utilize the FY 2015 Byrne Jag funds to purchase -two separate items this year. First, the Department would like to purchase a rifle clearing barrel □o put at the shooting range. This rifle clearing barrel would allow officers to properly clear and check their issued rifles while at the range. In addition to the rifle clearing barrel, the Ellsworth Police Department would like to use this round of Byrne Jag funding to purchase 24, 28-inch Orange Reflective Traffic Cones. These cones will be used at Impaired Driving Road Checks and other road blocks to increase visibility at these events. The added visibility will increase officer safety and the safety of the motoring public.</p> <p>The Southwest Harbor Police Department is allotting their FY 2015 Byrne/ JAG Grant funds toward safety equipment at the Ellsworth Police Department Range.</p> <p>The Hancock County Sheriff’s Office will utilize FY 15 Byrne/ JAG funds to upgrade a failing camera system. The recording system currently utilized to record the administration of the intoxilyzer unit is failing. This is a pertinent piece of equipment used in the prosecution of defendants. The current equipment is antiquated and often failing to operate.</p> <p>Bar Harbor and Mount Desert currently share a Police Chief, have a liberal mutual aid agreement which allows for much interagency interaction, including overlapping patrols, shared supervision and a shared Administrative Assistant. We have identified a software product called Digital Headquarters</p>

			<p>administer the medication to those individuals who overdosed on Heroin.</p> <p>The Norway Police Department will use the JAG award to provide funding for new Stinger flashlights. We currently use flashlights that are more than fifteen years old.</p> <p>The Fryeburg Police Department will use the 2015 Byrne JAG funds to purchase a SRCR16M4FTT Windham Weaponry .223 Semi-Automatic Rifle, accessories, and ammo.</p> <p style="text-align: right;">OXF-01-15 \$ 17,892.00</p>
Penobscot PEN-01-15	Penobscot County Sheriff's Office	Sheriff Troy Morton 85 Hammond Street Bangor, ME 04401 Website: http://www.penobscot-sheriff.net/	<p>The Brewer Police Department conducted a needs assessment and determined that enhancing officer training for critical incidents and obtain proper safety equipment was of paramount importance. One of the specific needs we have is to obtain ballistic protection for our officers that will protect them against rifle rounds. We determined that problem can be solved by purchasing rifle rated ballistic plates for officers. This type of ballistic protection would add a significant additional degree of defense for officers involved in critical incidents, high risk search warrants, etc. The 2015 Byrne Jag funds will be used to fill this need.</p> <p>The Dexter Police Department plans to utilize 2015 Byrne Grant monies to purchase a refurbished Stalker Dual Police Radar unit to better enforce speed and safety for our motoring public. Since January 1, 2016, we have handled twenty-five Reported Property Damage Motor Vehicle Crashes and five Reported Personal Injury Motor Vehicle Crashes. During the previous year, we experienced forty reported Property Damage Crashes and twenty-three Reported Personal Injury Crashes. The large majority of these crashes were directly related to speed. Dexter PD documented 207 traffic stops for speed related offenses in 2015 and Ninety so far in 2016. It is the intent of the Dexter Police Department to utilize new radar units to better enforce the posted speeds in the town of Dexter to reduce the number of motor vehicle crashes.</p> <p>The East Millinocket Police Department is requesting its 2015 Byrne Jag funding to be used by the Region 5 training council.</p> <p>The Hampden Police Department will use the 2015 Byrne JAG funding to purchase a Taser X26P to be used as a non-deadly force option for all officers of the Hampden Police Department. It will be used to supplement the</p>

			<p>existing Electronic Control Device program. The cost is reasonable when considering the potential financial and emotional impact on the officer, department and community when force is used.</p> <p>The Holden Police Department will use the available grant funding to obtain Office Safe Equipment. The safety of our officers within the office is a concern and to improve safety and security, the 2015 Byrne JAG Grant will allow the purchase of a 4• door Modular Security Compartment Box, which has a key lock. This secure box will allow the protection and safe keeping of weapons, evidence, and property.</p> <p>The Lincoln Police Department is proposing the purchase of 5.11 Valiant Soft Shell Jackets for our Officers. It is our plan, to use the funds received through the Byrne JAG Grant, to purchase these jackets. These jackets are a lightweight, water repellant jacket that are perfectly suited for the needs of spring and fall temperatures in Maine.</p> <p>The Millinocket Police Department is striving to become proactive with addressing ATV problems that occur in Millinocket and surrounding Penobscot County areas. The Millinocket Police Department provides ATV enforcement on trail systems and land in the Katahdin region. The department has been and will continue to be instrumental in patrolling ATV club establish trails throughout the town and the Katahdin Region and addressing rider education, ATV infractions, and landowner relations. To provide safer ATV enforcement by the Millinocket Police Department, we will use the 2015 Byrne/JAG funding towards the purchase of an ATV windshield and rooftop. This equipment will be used to provide a safer environment for the patrolling officers along with protection from the elements.</p> <p>The Newport Police Department will use the 2015 Byrne Jag Funding to purchase a Photo ID System for the new Public Safety Building that is shared by the Fire Department and other town employees. This ID system will institute basic identification for all parts of the building and control limited access areas. This limited access is crucial to maintain safety for all employees as well citizens that would visit the complex.</p> <p>The Orono Police Department will use the 2015 Byrne JAG funding to purchase active shooter "kits"; containing additional ammunition, tactical first aid items, and breaching tools and outfit each front-line cruiser as a "go bag"</p>

			<p>for on-duty officers, if an active shooter event occurs in Orono or one of the surrounding communities.</p> <p>The Old Town Police Department will be purchasing Streamlight Strion LED flash lights and Streamlight Strion flashlight holders. They will be issued to officers as standard equipment so they will have them with them always. They will allow them to have an alternative light source for several situations to included but not be limited to, firearms use for night time, un-lit rooms and buildings and will provide officer safety for night time traffic stops and field interviews at night.</p> <p>In 2010, The Penobscot County Sheriff's Office experienced manufacturing issues with our current uniform do to the discontinued color brown. At that time, we transitioned over to another company and were made promises that they would continue with the same color pattern. Now in 2016 we are experiencing the same manufacturing issues with the new company. After thorough research, sampling and peer review, our office has decided to conduct an entire office uniform changeover. This changeover includes a different vendor, style of uniform and color. We request to use the 2015 JAG funds toward the purchase of all season patrol Jackets.</p> <p>The Veazie Police Department's funding from the 2016 Byrne Jag Awards for Penobscot County would like this money to go into the Region 5 training pool for equipment needs that will be determined and then voted on later.</p> <p style="text-align: right;">PEN-01-15 \$ 13,787.94</p>
Piscataquis PIS-01-15	Dover-Foxcroft Police Department	Lt. Scott Arno 182 East Main St. Dover-Foxcroft, ME 04426 Website: http://dover-foxcroft.org/index.asp?SEC=9E1DDB71-5409-4D09-852B-28A0DF2F2956&Type=B_BASIC	<p>The Milo Police Department will use the monies in this Byrne/JAG Grant will help this agency to purchase several items that will enhance and ensure Officer efficiency and safety. It also provides safety and security for the citizenry being served. The goal and objective for this grant is to purchase (5) Net Motion Mobility Windows devices. We also anticipate purchasing (2) Mobile "Hot Spots" to use in conjunction with the purchase of (2) compatible laptops.</p> <p>The Dover-Foxcroft Police Department proposes to use Federal funds to purchase the necessary hardware, software and wireless connectivity service to initiate Mobile Data Terminal services for Law Enforcement Officers. The Dover-Foxcroft Police Department already has some hardware, software and connectivity service to combine with Federal Funds to assist with the implementation of the Project. Rugged laptop computers will be purchased</p>

			<p>with Federal funds for the project. This will give us the ability to deploy Mobile Data Terminals into the field giving Officers access to valuable LIE and Public Safety information. It will also provide Officers the ability to enter data into the regional Law Enforcement database resulting in 'real time' data availability.</p> <p>The Brownville Police Department will use the requested funds d to increase the capabilities of command and control and officer safety and awareness by providing information systems support. Information was gathered on the need to upgrade the current incident system communications and reporting procedures based on input from police officers and a site survey of existing incident reporting capabilities. It was determined the current system of communications system between the incident system and the in-car computer systems was insufficient. The County is has recently implemented a county wide incident system by adopting the Spillman system. The current infrastructure would continue to be used with the new county-wide system. The requested funds would be used to support the existing hardware with the new software and to continue to provide WAN & VPN support.</p> <p>The Greenville Police Department will use the 2015 Byrne Jag Funds to purchase a Night Vision Power Supply; Our agency has acquired military surplus night vision but has not been able to purchase a power supply due to budget constraints. Funds will be used to purchase Power Pack; to assist citizens with dead batteries. Funds will also be used to purchase flashlights for use by officers.</p> <p>The Piscataquis Sheriff's Department will use the grant funding to purchase a tactical shield. The tactical shield will be used for the safety of the officers as well as the public. Deputies will initially be trained in the use of the tactical shield along with annual training scenarios during firearms training.</p> <p style="text-align: right;">PIS-01-15 \$ 12,231.00</p>
Penobscot Nation Judicial System PNJ-01-06	Penobscot Indian Nation	Jill E. Tompkins, Director Penobscot Nation Judicial System 12 Wabanaki Way Indian Island, ME 04468 Website: https://www.penobscotnation.org/departments/tribal-court	<p>The Penobscot Nation's project is the creation of a short video featuring Penobscot Nation and other Wabanaki tribal youth actors providing education about the range of potential health risks and life-impacting consequences of adolescent drug and alcohol use, and the potential future ramifications of having a juvenile record. The video will also offer Wabanaki adolescents encouragement and incentives to abstain from alcohol use and drug abuse. The goal of the video is to raise awareness and influence behavioral change.</p> <p style="text-align: right;">PNJ-01-16 \$ 1,221.00</p>

The following subgrants were under this program

Award period: October 01, 2014 to September 30, 2018

Total Federal Award \$ 915,501.00

Law Enforcement Allocation Category			
County	Agency	Contact	Purpose
Sagadahoc SAG-01-15	Sagadahoc County Sheriff's Department	Sheriff Joel Merry 752 High Street Bath, ME 04530 Website: http://sagcounty.com/departments/sheriffs-department/	<p>The Sagadahoc County Sheriff's Office, in collaboration with the Topsham Police Department proposes a program to enhance the enforcement of underage drinking laws. We will use the 2015 Byrne JAG funds for purchasing portable breath testing devices which will be used by patrol officers working in the field.</p> <p>The Bath Police Department will use the grant funds to upgrade our current surveillance system with new cameras, lenses, an increased storage capacity, and upgrading the DVR with more mega pixels to enhance the quality of the recordings.</p> <p style="text-align: right;">SAG-01-15 \$4,995.00</p>
Somerset SOM-01-15	Somerset County Sheriff's Department	Stacey Slate, Executive Assistant 131 East Madison Rd. Madison, ME 04950 Website: https://somersetcounty-me.org/sheriffs-office	<p>The Skowhegan Police Department currently has three lap top computers in their patrol cruisers that need to be updated. We plan on purchasing 2 Panasonic CF-31 computers for our two primary cruisers and utilizing the three older lap tops in our remaining secondary patrol vehicles.</p> <p>The Fairfield Police Department will use the 2015 Byrne JAG funds to purchase four Dell Inspiron 3052 19.5" all in one computers. Recent renovations to the police department have added 6 work-stations to the patrol room. We have been previously limited to 2 workstations which were old and unable to maintain the ever-increasing software demands. The addition of the four Dell Inspiron 3052 19.5" all in one computers will greatly increase efficiency.</p> <p>Somerset County Sheriff's Office will use grant funds to purchase equipment and mobile device investigative software. Our detective division requires a camera for use in the investigative process. The detective division needs software for use in investigations where mobile devices are to be analyzed.</p> <p>Madison Division Somerset County Sheriff's Office will use 2015 Byrne JAG grant funds purchase a fire extinguisher for each patrol vehicle and one fire extinguisher for the Madison Division office. To purchase five Asps for full-time patrol deputies to develop consistency in issued equipment. To purchase 14 x 25 foot Taser cartridges to standardize the Taser cartridges used by patrol deputies for officer safety. To purchase a hand-held heat sealer with accessories for firearms in evidence and storage, and a safe for narcotics and currency taken into evidence.</p> <p style="text-align: right;">SOM-01-15 \$ 16,095.00</p>

Waldo WAL-01-16	Waldo County Sheriff's Office	Chief Deputy Jason Trundy 6 Public Safety Way Belfast, ME 04915 Website: http://www.waldocountyme.gov/wso/index.html	<p>The Waldo County Sheriff's Office will use the grant funds to purchase a Wolfcom Evidence Management System (WEMS) with 17 licenses. The entire package consists of the following:</p> <ul style="list-style-type: none"> • (2) Wolfcom X1 Smart Workstations with two docks each. These are used to extract the videos from the body-worn cameras, catalog the video and once it has been transferred, delete it from the camera so the Deputy starts with an empty device on their next shift. The Smart Workstation integrates with the Wolfcom WEMS server software and the video cataloging/inventory system. • 1) Buffalo TeraStation 5600 24TB NAS storage device configured for RAID5 operation. This will be the device that stores the videos that are downloaded. <p>The Searsport Police Department will use the grant funds to purchase an in-car video system.</p> <p>Lincolnville will use the Byrne Jag Funds to purchase a speed board.</p> <p>The Belfast Police Department will use the Byrne Jag funds to purchase speed radars.</p> <p style="text-align: right;">WAL-01-16 \$ 13,755.00</p>
Washington WAS-01-15	Machias Police Department	Chief Grady W. Dwelley PO Box 418 25 McDonald Drive Machias. ME 04654 Website: http://machiasme.org/public-safety/police-department/	<p>The Machias Police Department will use grant funds to replace a ten-year-old digital camera SLR camera that digital technology has rendered nearly obsolete. It will be used for crime scene, accident scenes and Identification photographs.</p> <p>This project will allow the Washington County Sheriff's Office to purchase (6) Tasers, complete with holster and battery for 6 of the 10 full time deputies and cartridges for both training and on duty use. This will provide a less than lethal response for deputies whose nearest back up may be 45 minutes away.</p> <p>The Town of Eastport did not budget for equipment for a newly purchased Police cruiser. This grant will allow them to partially equip the new cruiser with a console for the radio, etc.</p> <p>The Baileyville Police Department will use the funds to purchase a ram, helmets, goggles and hearing protection for tactical entry during search warrants and high risk arrest warrant service.</p> <p style="text-align: right;">WAS-01-15 \$ 8,064.00</p>

York YRK-01-15	Wells Police Department	Lieutenant Kevin Chabot P.O. Box 949 1563 Post Road Wells, ME 04090 Website: http://www.wellstown.org/214/ Police-Department	<p>The Berwick Police Department is pursuing funds through this grant to purchase three (3) Venture 1'1 Responder 2 Ballistic Composite Shields. This purchase would provide our law enforcement officers additional protection during high risk situations. During these times the officers are faced with a heightened risk of armed confrontations. The shields are hand held and can stop numerous calibers that the officer's duty body armor would not stop. The shields also offer protection against blunt objects and edged weapons. The shields will be used during high risk search/arrest warrants as well as during times when an officer is responding to high risk calls for service (barricaded individuals, shootings, etc.).</p> <p>It is the Buxton Police Department's intent to utilize the FY 15 13yrnc/JAG funds on the purchase of law enforcement equipment. Specifically, an AR-15 patrolman's rifle and the additional equipment needed to properly outfit a marked police cruiser. Funds will be used to purchase a Windham Weaponry AR-15 patrolman's rifle fully equipped with a tactical holographic weapon sight with night vision capabilities, a flashlight and sling, a trunk organizer for necessary equipment, and a 100-ft. tape measure which is utilized at incident scenes. It is essential to provide our officers the equipment they need while working. The purchase of these items will greatly improve the service our officers will be able to provide to the town and its citizens, from the school-aged to the elderly.</p> <p>The Eliot Police Department will use the grant funds to purchase Guardian Front Open Vests and the following items to affix to the vests; double handcuff cases, 4 ounce OC spray cases, and flashlight cases. It is essential to provide our officers the equipment they need while working. The purchase of these items will improve the work environment for our officers when responding to calls for service.</p> <p>The Kennebunk Police Department will utilize the funding as follows: Specialized Training - Training will be sought out to instruct the attendee(s) on criminal investigations with an emphasis on evidence collection and storage. Possible training course: Crime Scene Investigation (MCJA), Certified Crime Scene Investigator (online W. Virginia University) or the like. This award will cover tuition, room/board, text books and required equipment: Specialized Equipment sought would be a representative sample of the following: evidence collection kit, crime scene evidence markers, DNA.</p>

			<p>swabs, gel lifters, bio-foam lifters, 60" tripod, Olympus digital voice recorders (8) and a crime scene callout bag.</p> <p>The Kennebunkport Police Department would like to forward their 2015 JAG Byrne Grant to the District I Training Council. The purpose of this council is training police officers in a variety of elective and mandatory topics to include supervision, drug investigation, mental health awareness, and other police topics. These monies will facilitate and reduce the tuition costs for the departments sending officers to training.</p> <p>It is the Kittery Police Department's intent to utilize the 2015 Byrne/JAG funds to purchase equipment that will improve the effectiveness and efficiency of law enforcement services in the Town of Kittery. Funds will be used to supply Kittery's police vehicles with protective equipment to insure the safety of our officers. This includes four level 4 protective vests. All officers currently wear level 3 vests, which will not protect against high power rifle rounds. These four level 4 vests will be available in the cruisers to be utilized to properly protect the officers in a high-risk situation. Kittery Police Department will also be purchasing an entry kit to assist our officers in safely making entry during both low risk and high risk entry operations, as well as supplies to improve our evidence processes and procedures.</p> <p>It is the North Berwick Police Department's intent to utilize the FY15 Byrne/Jag Funds to purchase a ULINE Plastic Stackable Bins to organize the evidence room. In addition, some building materials will be purchased to build shelving and hardware to hang some larger evidence items. Currently North Berwick Police Department consists of 15 sworn police officers. Two of these Officers are evidence technicians who have control of a secure evidence room. The evidence room however, needs to be upgraded and made more efficient when storing and retrieving evidence. These needed items will improve the organization and efficiency of the police department's evidence room and improve the quality of officer's court cases.</p> <p>The Ogunquit Police Department would like to forward their 2015 Byrne JAG Grant to the District I Training Council</p> <p>The Old Orchard Beach Police Department intends to use the grant monies for law enforcement equipment. Specifically, Black Cat Traffic Monitoring System by Jamar Technologies, Inc. In addition, installation of a Hikvision MP4 CCTV Video Surveillance camera with microphone. The Black Cat</p>

			<p>Traffic Monitoring System provides traffic monitoring and data collection in real time. This will be inclusive of traffic speed and traffic frequency gathering data for directed patrols and community complaints. The Hikvision MP4 system will provide video/audio recording of the police department lobby.</p> <p>The South Berwick Police Department intends to use the 2015 Byrne JAG Grant to purchase of a portable handheld radio to improve and enhance the communication between officers in the field and the emergency service dispatch center.</p> <p>The Wells Police Department intends to use the Byrne JAG grant monies an upgraded surveillance camera and labor to install the camera on police headquarters. The purchase and installation of an upgraded surveillance system will further help our agency to deliver more effective police service by monitoring pedestrian traffic around the police department, viewing the front of our building, monitoring the vehicles that go through a very busy intersection of Routes 1 and 109 -the intersection is called "Wells Corner" and serves as the major center of our town. This camera will be monitored by our dispatch center and will cover the south, southeast direction from the front of police headquarters.</p> <p style="text-align: right;">YRK-01-15 \$ 18,759.00</p>
State-wide MDEA15	Maine Department of Public Safety - Maine Drug Enforcement Agency	Roy E. McKinney, Director 166 State House Station Augusta, ME 04333-0166 Website: <a href="http://www.maine.gov/dps/md
ea/">http://www.maine.gov/dps/md ea/	<p>The Multi-Jurisdictional Drug Task Force's purpose is to provide a central administrative structure for the establishment, coordination and oversight of specialized narcotics and narcotic-related investigative units within the State of Maine. The task force concept brings together the resources of adjoining and overlapping enforcement activities, particularly in situations in which sparse resources are spread over great distances. This approach has proven to be one of the most effective tools in proactively addressing the proliferation of illegal drug distribution. With limited resources, the majority of participating departments are not able to assign officers full-time to a drug task force. Funding to reimburse those departments for their officers' assignment permits such assignment while permitting the department to replace that officer with another in their community.</p> <p>MDEA seeks funds for the salary and fringe of 6 task force investigative agents for existing positions. One agent will be assigned to 6 of MDEAs 8 task force groups. These task force groups are aligned with the state's prosecutorial districts. MDEA contracts with 6 departments for these JAG-funded agents. Those departments are: Aroostook Sheriff, Cumberland</p>
