

**VIOLENT CRIMES**

Crimes of violence involve the element of personal confrontation between the perpetrator and victim and entail the use or threat of violence. By their very nature, violent crimes — murder, rape, robbery and aggravated assault — are considered more serious than property crimes. The total number indicates only the number of incidents reported to police and does not reflect the number of criminals who committed them or the number of injuries inflicted.

During the year 2005, violent crimes showed an increase from the previous year. There were 1,490 reported offenses during 2005 — compared with 1,348 for 2004. This increase of 142 crimes reported represents an increase of 10.5%.

The 2005 crime rate for violent crime is 1.13 offenses per 1,000 population. Violent crimes represent 4.5% of all reported index crimes. Police cleared 959 violent crimes for a 64.4 clearance rate.
