

# FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary

Award period: January 01, 2019 to September 30, 2020

| Law Enforcement Allocation Category |                            |  |   |
|-------------------------------------|----------------------------|--|---|
| County                              | Agency                     | Contact  | Purpose   |
| Androscoggin                        | Sabattus Police Department | Chief Sheila Wetherbee<br>190 Middle Road,<br>Sabattus ME 04280<br>Website:<br><a href="http://www.sabattus.org/police-department">http://www.sabattus.org/police-department</a> | <p>The Sabattus Police Department's objective with the 2017 Byrne/Jag grant funding is to improve officer safety and that of the community by using less-lethal tools when appropriate. Ensuring that our department is ready to respond to any situation. This project will assist not only the officers and the citizens of Sabattus, but also the surrounding agencies that rely on us for mutual aid. At this time, the Sabattus Police Department would like to purchase two (2) 40mm launchers also referred to as the "Sponge Gun". The impact projectile from these less-lethal weapons provides a point of aim, point of impact accuracy up to 100 feet while at the same time can be used safely as close as five feet.</p> <p>The Mechanics Falls Police Department will use the funds to purchase a Setina cargo/storage organizer for the rear of a 2016 Ford SUV Police Interceptor.</p> <p>The Auburn School Department provides Apple laptop computers to upwards of 50% of its student population. Students are frequent victims of bullying and other crimes. The police and school departments work cooperatively in their investigations and rely on each other to mitigate instances of such crimes. Each department lacks the in-depth ability to pursue leads. The Auburn Police Department will use the Byrne JAG funding to designate a detective to attend on-line training and receive a "Certified Logical and Physical Operator" certification and subscribe to the data recovery and extraction software. This training will enhance our efforts to suppress the continually evolving and increasing number of electronic crime cases affecting our community and improve and strengthen the prosecution and adjudication of those cases as well as the opportunity to intervene and mitigate potential instances of "school violence."</p> <p>The Lisbon Police Department would like to use our Byrne/Jag award to purchase a new mobile radio for one of our fully marked police units, as well as a new portable radio for our newest patrol officer.</p> <p>The Androscoggin County Sheriff's Office is requesting to purchase the following item from the 2017 Byrne/ Jag Grant.<br/>                     4 each Windham Weaponry rifle Item number R 1 6M4FTT-SB02 1 6" M4 barrel with Polymer Diamondhead Front and Rear Folding sights with NiteBrite, Mission First Tactical 2 piece Quad Rail Handguard and a 6 position collapsible stock and Windham Weaponry 2 inch Elastic Web Sling (black) item number SLING-WW-ELASTIC. Each rifle comes with an Aimpoint</p> |

**Award period: January 01, 2019 to September 30, 2020**

| Law Enforcement Allocation Category |                                   |  |   |
|-------------------------------------|-----------------------------------|--|---|
| County                              | Agency                            | Contact  | Purpose   |
|                                     |                                   |  | Red Dot Sight item number AIMPT-PRO and hard plastic nylon case and one 30 round magazine and an operators manual.<br><br>\$ 21,867.00  |
| Aroostook                           | Aroostook County Sheriff's Office | Deputy Chief Craig Holder<br>25 School Street, Suite 216,<br>Houlton, Maine 04730<br>Website:<br><a href="https://www.arostook.me.us/departments/sheriff.html">https://www.arostook.me.us/departments/sheriff.html</a> | <p>During this budget year, the Aroostook County Sheriff's Office will be replacing all issued firearms. We are transitioning to a new weapon system that will provide each Deputy with state-of-the-art equipment. The grant funds will provide each deputy with a Safariland 7360 ALS level 3 security holster. This will reduce the likelihood of losing a weapon in a physical confrontation and provide the deputy with adequate training for weapon retention and accessibility. The goal is to provide the most secure holster available for each deputy on the street</p> <p>The Ashland Police Department is in the process of changing out the old flashlights for newer models and the funds allotted will be used for that purchase. This will assist in patrolling during night business checks.</p> <p>The Caribou Police Department plans on purchasing equipment for our police cruiser. Our Police Officers typically go without the much needed updated and basic equipment in the cruisers. All citizens of Caribou will benefit from a better-equipped officer. We plan on purchasing equipment by June 2019 for immediate use. Our goal is to make our police cruiser safer, better equipped and ready to deal with regular complaints and major incidents</p> <p>The Fort Fairfield Police Department is choosing to help MSAD #20 secure their classrooms that are currently vulnerable to threats. At this point in time, there is no funding available for school security improvements. With these funds, we intend to purchase Nightlock Lockdown devices that will be installed on classroom doors and will prohibit entry during a real threat to the student body. Securing classroom doors from threats is the first major step in protecting the student body. These devices will provide security for 505 students in classes K-12.</p> <p>The Fort Kent Police Department has a contingent of 5 full-time officers and 4 reserve officers. There is a need to replace the officer's body armor carriers due to normal wear and tear. We would purchase ammunition for training with the remainder of the funding.</p> <p>The Houlton Police Department will purchase the following equipment to provide better investigative tools, station security, and support of officer-worn body cameras. Item #1: Interview Room Camera and Recording System. Currently the interview does not have a camera system to record interviews or investigations. The system will document interviews, processing,</p> |

FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary  
Award period: January 01, 2019 to September 30, 2020

| Law Enforcement Allocation Category |        |         |   |
|-------------------------------------|--------|---------|---|
| County                              | Agency | Contact | Purpose   |
|                                     |        |         | <p>Investigations and provide protection for officers and detectives while engaged in official business. Dispatch and other authorized staff will be able to view the camera live stream on their work station to enhance security and protection. Item #2: Enhanced storage for a digital body camera system. Currently, our storage capacity for body camera video recordings is limited. This system will increase storage volume and provide longer retention/archive time period. Storage of the body-worn camera video footage is essential for reference, report preparation and prosecution. Item # 3: Digital Camera for crime scene and investigative photography. Currently, the department does not have a digital camera for crime scene photography. This camera will be used for on-scene crime and investigative photography. This unit will be assigned to the detective unit to ensure more detailed and documented photography at accidents, crime scenes, and general investigations.</p> <p align="right">\$ 17,032.00</p> |

# FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary

Award period: January 01, 2019 to September 30, 2020

|            |                           |   |   |
|------------|---------------------------|---|---|
| Cumberland | Windham Police Department | <p>Chief Kevin L. Schofield<br/>         375 Gray Road<br/>         Windham, Maine 04062<br/>         Website:<br/> <a href="http://www.windhammaine.us/170/Police">http://www.windhammaine.us/170/Police</a></p> | <p>The Bridgton Police Department is requesting funds for two body-worn cameras (BWC) to add to our four current cameras. This will allow us to better utilize the cameras on all shifts.</p> <p>The Brunswick Police Department will use funds from the FY 2017 Edward Byrne Memorial Justice Grant to purchase a 30x zoom lens for the department's Unmanned Aerial Vehicle. The UAV is used to assist with forensic mapping and special response team situations. The UAV is used in accordance with all FAA rules and out pilots have their FAA license. The department would like to replace 6 Windham Weaponry semi-automatic rifles and the "upper" section of 2 additional rifles. Finally, we will replace 2 mobile radios used in our cruisers that are over 10 years old</p> <p>The Cape Elizabeth Police Department will be utilizing the funds awarded from the Edward J. Byrne Memorial Assistance Grant to purchase gym equipment. The equipment in the station gym is currently seventeen years old and needs some upgrades.</p> <p>The Cumberland County Sheriff's Office will use funds awarded from the Edward J. Byrne Memorial Justice Assistance Grant to refurbish and reconfigure a 2005 Pierce HAZMAT 40' vehicle. The project will include the removal of the current stainless steel workspace and cabinetry. The project will include wiring for power and communication needs, prepare for shelves, cabinets, and desks. Install exterior access equipment and additional lighting. Organize the vehicle into a mobile command post configuration.</p> <p>The Cumberland Police Department will utilize funds awarded from the Edward J. Byrne Memorial Justice Assistance Grant to purchase 6 new Sony PX370 Digital Voice Recorders. These recorders will allow our officers to accurately capture information from victims, suspects, and witnesses during criminal investigations.</p> <p>The Falmouth Police Department will utilize the Byrne Grant to purchase seven (7) GEMTECH Rifle Suppressors. These suppressors will assist in close-quarter combat situations where the weapon system is activated in buildings and such noise would cause damage to the officer's hearing and disable communications through the radio system.</p> <p>The Freeport Police Department will use the funds awarded from the Edward Byrne Memorial Justice Assistance Grant to purchase bolt carrier replacements for department issued 9 mm pistols and patrol rifles for use in "force on force" nonlethal training.</p> <p>The Gorham Police Department will be using funds from the Edward Byrne Memorial Assistance Grant to provide funding for equipment. The Gorham</p> |

|-------------------------------------|-----------------------------|---|---|
| County                              | Agency                      | Contact   | Purpose   |
| Franklin                            | Jay Police Department       | Chief Richard Caton<br>340 Main Street<br>Jay, ME 04239<br>Website:<br><a href="https://www.jaypolice.org/">https://www.jaypolice.org/</a>                            | <p>The Farmington Police Department project will use our award to purchase an ID card printer and software as well as fourteen (14) Combat Application Tourniquets and belt holsters.</p> <p>The Franklin County Sheriff's Deputies will purchase nine (9) Motorola VX-454 portable radios for the use by the Franklin County Sheriff's Deputies</p> <p>The Jay Police Department would like to use the grant money to purchase a Taser X26P and an Axon Body camera. The officers carry Tasers when on duty and by purchasing a new one this will assist with the recommended replacement of the older Tasers every five years. The body cameras we currently have 4 newer style cameras and this additional one will give each officer their own camera which will assist in the longevity of these cameras.</p> <p>The Wilton Police Department will purchase a gun rack mounting system for each of our 3 cruisers to allow the patrol rifle to be secured but readily accessible from the driver's seated position. This will enhance the responding officer's ability to be prepared with a safer and quicker response to the emergency at hand. The remaining funds will be used to purchase "Drug-Free Safe Zone Signs for public parks and locations approved by the Board of Selectman and meeting the standards of Maine Law 17-A MRSA chapter and Title 30-a Section 3253</p> <p align="right">\$ 10,243.00</p> |
| Hancock                             | Bucksport Police Department | Chief Sean P. Geagan<br>89 Franklin St.<br>Bucksport, ME 04416<br>Website:<br><a href="http://www.bucksportmaine.gov/police">http://www.bucksportmaine.gov/police</a> | <p>The Bucksport Police will be purchasing 3 laptops for our three cruisers. This will assist us in more efficient response times to calls due to our cad system that runs on these units.</p> <p>The Hancock County Sheriff's Office proposes to utilize Byrne Jag funds to further develop and maintain the shooting range. This range is used by nearly every law enforcement agency in Hancock County. Currently a building is used to store items at the range such as steel shooting racks. The building needs upgrades and routine maintenance.</p> <p>The Bar Harbor Police Department will purchase individual first aid kits for each of our full-time police officers. Currently we use first aid kits that are kept in our cruisers and often they are lacking equipment/supplies because someone else used it and the kit was not replenished.</p> <p>The Ellsworth Police Department would like to utilize the FY 2016 Byrne Jag funds to purchase 19 Stream light tactical flash lights to mount on each officer's weapon. With these lights mounted on the officer's duty weapon it</p>   |

|-------------------------------------|----------------------------------|--|--|
| County                              | Agency                           | Contact  | Purpose  |
|                                     |                                  |  | would allow officers to clear rooms, buildings vehicles and any other police duties that require a weapon and a flash light more efficient and safely.<br><p align="right">\$8,341.00</p>  |
| Kennebec                            | Kennebec County Sheriff's Office | Lieutenant William R. Johnson<br>125 State St,<br>Augusta Maine 04330<br>Website:<br><a href="https://www.kennebecso.com/">https://www.kennebecso.com/</a> | <p>The Kennebec County Sheriff's Office proposes to expend the grant award in three (3) equipment purchases to assist Deputy Sheriffs in their duties. First, the Sheriff's Office will purchase two (2) "Stalker" radar units for targeted speed enforcement throughout Kennebec County. Second, the Sheriff's Office will purchase one (1) "Noptic" thermal imaging unit which will be cruiser-mounted and provide a video direct to the officer's laptop. These units essentially allow an officer to see at night, detecting heat signatures to form a complete view of a scene even in complete darkness.</p> <p>The Clinton Police Department is adding another Police Vehicle to the fleet and we need to make sure that the additional vehicle is properly equipped. Both of our other patrol vehicles have a shot gun and an AR 15 patrol rifle, with aim point sight in them. To maintain consistency, we would like to equip the new vehicle with the same models to create an easy transition when changing between vehicles. In the new vehicle, we also need a vehicle repeater to extend the mobile radio coverage when the officer is out of the vehicle. The other this will ensure consistency between vehicles and safety for the officers giving them extended communication.</p> <p>The Winslow Police Department would utilize the JAG Grant Funds for the purchase of duty weapons, accessories, patrol rifles and accessories for 2 Reserve Police Officers.</p> <p>The Winthrop Police Department would like to continue its move from PC's to tablet devices for the in-car computing needs as well as our office needs. This gives our officers, supervisors and detectives the same device in the office as on the road. With the 2016 Jag funds, we plan to purchase 3 Monitors, 3 Docks and 2 keyboard/mouse combos. This will enable our officers to use their current tablets to book prisoners easier. It will further give us a dock for use at our high school office.</p> <p>The Hallowell Police Department will purchase firearms ammunition supplies for officer's duty weapons and training purposes with the goals of improving officer firearms efficiency and accuracy thus reducing the risk to public safety. The grant will allow the police department to supply each officer with current firearms duty ammunition and supplies for mandatory training purposes.</p> <p>The Monmouth Police Department currently has 4 desktop computers for three full time officers, chief and an administrative assistant. One of the</p> |

|-------------------------------------|-----------------------------------|---|---|
| County                              | Agency                            | Contact   | Purpose   |
|                                     |                                   |   | <ul style="list-style-type: none"> <li>• (2) Micromesh ANSI Zip-N-Rip Traffic Control Safety Vests</li> <li>• (2) Reversible Hi-Vis traffic Safety Rain Coat</li> <li>• (4) 11x4 Police ID patch for Ballistic Armor Plate Carrier</li> <li>• (4) 4/2 Police ID patch for Ballistic Armor Plate Carrier</li> </ul> <p>The awarded Byrne Jag funds to the Oxford Police Department will be used towards purchasing three WatchGuard body camera cameras.</p> <p>The Norway Police Department requires four Watchguard Body Cameras. We currently do not have any body cameras. We did not have the funds budgeted this year to purchase all four that we would need. The local JAG award will provide funding for our need.</p> <p>The Town of Mexico Police Department is requesting the 2017 Byrne Jag Grant funding to purchase Three (3) Tasers X26P, three (3) Taser Holsters, Three 15 foot cartridges and one battery. The Tasers will be used to replace our existing Tasers that are now eight (8) years old. One of our existing Tasers has already failed and is now considered obsolete. The Mexico Police rely on their Tasers and are an essential piece of our equipment all officers carry daily on their gear belts.</p> <p>The Fryeburg Police award will be used to purchase a duty Taser to be utilized by the on-duty patrol officer. The need for this item will reduce officer injuries by going hands-on with a combative suspect. Fryeburg officers police 3500 citizens and thousands of tourists on the Saco River each year. The Fryeburg Fair brings an additional 200,000 people to Fryeburg in October. The purchase of this laser will reduce excessive use of force claims as well as reducing the risk to officer injury.</p> <p>The Paris Police Department is seeking to purchase a soft carrying case for each full-time officer's issued patrol rifle. These bags will allow for the safe transport of the equipment to and from the patrol vehicle and allow for immediate access to other directly associated equipment such as magazines, eye, and ear protection</p> <p align="right">\$ 20,375.00</p> |

| County                              | Agency | Contact | Purpose   |
|                                     |        |         | <p>The Dexter Police Department will use the 2017 Byrne Grant monies to partially fund a K-9 insert/cage for one of our Ford Police Interceptor SUV cruisers to keep the dog and public safe.</p> <p>The Hampden Police Department currently has 10 Kenwood TK-280 portable radios that are 11 years old, two less-dependable Wouxun 420-520 portable radios and a Motorola Radius. We have 11 full-time officers and 4 part-time officers. Radios are aging and failing, and thus, we often do not have an adequate supply of dependable well-functioning radios. We will purchase two Kenwood TK-2180-LKP portable radios, which are the most recent models of our pervious radios immediately upon receipt of funding approval.</p> <p>The Holden Police Department, while a small agency, is in dire need of a desktop computer for the patrol room. By having a second desktop computer available, we will be able to have two officers working on their reports at the same time if necessary. This second desktop computer will allow us to reduce the time spent at the police station by our officers and increase the officers time on the road.</p> <p>The Lincoln Police Department will be issuing all full-time and part-time police officers with puncture resistant gloves. We request to utilize the JAG funds to assist in purchasing 20 Damascus VForce X3 puncture resistant gloves. This funding is a supplement to the budget amount needed to complete the purchase of this gear.</p> <p>The Millinocket Police Department employs 5 full time officers who patrol the town 24/7. While on patrol they carry a X26 Taser, (Electronic Control Device, ECO) as part of their tool kit to help them in combative situations. The PD will purchase a new X26P Taser replaced the 10-year-old model X26 which is no longer manufactured.</p> <p>The Newport Police Department is in the process of bringing our evidence locker into compliance. We request to use the JAG funds to help purchase two Gun Racks. This purchase will allow us to store Rifles properly ensuring that they will not be lost or- damaged. This funding is a supplement to the budget amount needed to complete the entire project.</p> <p>The City of Old Town Police Department is purchasing a new smart-board. The smart-board will be placed in the police department's conference room which is the location of our command center for the police and fire in the Public Safety Building. The smart-board will be used for all our search warrant planning, information collection, and briefings. It will be used for the</p> |

**FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary**  
**Award period: January 01, 2019 to September 30, 2020**

| Law Enforcement Allocation Category |                                  |   |  |
|-------------------------------------|----------------------------------|---|--|
| County                              | Agency                           | Contact   | Purpose  |
|                                     |                                  |   | <p>department training needs for police and fire as well as an important part of the incident command for ICS and Unified Command situations that will play a very important part in carrying out the city's emergency operation plan.</p> <p>Penobscot County Sheriff's Office responds to and investigates a large number of Fatal Motor Vehicle Crashes and serious injury crashes. A large portion of these crashes have a contributing factor of excessive speed. The purchase of two additional Stalker Radar Units would increase the Sheriff's Office ability to enforce speed violations and help reduce the number of motor vehicle crashes involving speeding vehicles</p> <p style="text-align: right;">\$ 15,595.00</p>   |
| Penobscot Nation Judicial System    | Penobscot Indian Nation          | <p>Jill E. Tompkins, Director<br/>                     Penobscot Nation Judicial System<br/>                     12 Wabanaki Way<br/>                     Indian Island, ME 04468<br/>                     Website:<br/> <a href="https://www.penobscotnation.org/departments/tribal-court">https://www.penobscotnation.org/departments/tribal-court</a></p>            | <p>The Penobscot Nation's project is the creation of a short video featuring Penobscot Nation and other Wabanaki tribal youth actors providing education about the range of potential health risks and life-impacting consequences of adolescent drug and alcohol use, and the potential future ramifications of having a juvenile record. The video will also offer Wabanaki adolescents encouragement and incentives to abstain from alcohol use and drug abuse. The goal of the video is to raise awareness and influence behavioral change.</p> <p style="text-align: right;">\$ 1,191.00</p>  |
| Piscataquis                         | Dover-Foxcroft Police Department | <p>Sgt. Todd Lyford<br/>                     182 East Main St.<br/>                     Dover-Foxcroft, ME 04426<br/>                     Website:<br/> <a href="http://dover-foxcroft.org/index.asp?SEC=9E1DDB71-5409-4D09-852B-28A0DF2F2956&amp;Type=B_BA_SIC">http://dover-foxcroft.org/index.asp?SEC=9E1DDB71-5409-4D09-852B-28A0DF2F2956&amp;Type=B_BA_SIC</a></p> | <p>The Dover-Foxcroft Police Department will use the federal funds to upgrade 2 semi ruggedized MDTs to fully ruggedized MDTs. The 2 semi ruggedized MDTs are aging and are at risk of becoming unreliable.</p> <p>The Milo Police Department will purchase (12) Taser- Air Cartridge 25' range XP Probes, which work in unison with the X 26 Taser. We also anticipate purchasing (3) Motorola XPR3500 portable radios.</p> <p>The Piscataquis County Sheriff's Department will use the Byrne Jag funding to purchase 1 emergency vehicle light bar which will be used on one of the police cruisers to increase visibility of the cruiser and increase the safety of the officers while using the police vehicle.</p> <p>The Greenville Police Department is commonly only staffed by one officer. In the history of this agency when we are fortunate enough to find officers to start employment they need to travel as far away as Bangor for the issuance of a police identification card. Greenville proposes to purchase a Datacard SD360 Dual Sided ID Card Printer and software. With this budget proposal, this need to travel to Bangor would be eliminated leaving the town's sole officer to stay in this area and be available for calls.</p> |

|                                     |                                       |   | \$ 10,855.00   |
| Sagadahoc                           | Sagadahoc County Sheriff's Department | Sheriff Joel Merry<br>752 High Street<br>Bath, ME 04530<br>Website:<br><a href="http://sagcounty.com/departments/sheriffs-department/">http://sagcounty.com/departments/sheriffs-department/</a>        | <p>The Sagadahoc County Sheriff's Office, Bath Police Department and Topsham Police Department will use the Byrne Justice Assistance Grant (JAG) Program funds to purchase one (1) SafePace Cruiser Sturdy Speed Trailer.</p> <p>Currently, Topsham PD has a Traffic Logiz 650 SafePace 650 Radar Speed Sign, but does not have the ability to deploy or move the sign. The SafePace Cruiser trailer, built specifically for the speed sign will make using the sign possible. Through a memorandum of understanding all three agencies agree to use the trailer and speed sign as needed.</p> <p>The purchase of a single trailer will make use of the speed sign available to all three agencies.</p>  |
|                                     |                                       |   | \$5,838.00   |
| Somerset                            | Somerset County Sheriff's Department  | Stacey Slate, Executive Assistant<br>131 East Madison Rd.<br>Madison, ME 04950<br>Website:<br><a href="https://somersetcounty-me.org/sheriffs-office">https://somersetcounty-me.org/sheriffs-office</a> | <p>The Somerset County Sheriff's Office will be purchasing one new mobile data tablet and the accompanying office docking station for a full-time patrol vehicle. The Somerset County Sheriff's Office will purchase one complete Watchguard in-car camera system for use in preventing vehicle downtime.</p> <p>The Fairfield Police Department has older desktop computers that have exceeded their average life span by several years. These desktops have started crashing and are having a hard time handling the new software programs we are using. It is not uncommon for officers to have the system crash with a low memory alarm. This costs time and requires the officers to restart and rewrite reports.</p> <p>The Somerset County Sheriff's Office Madison Division provides law enforcement services to the town of Madison, ME. Madison has a population of approximately 4,855 and is in Somerset County, which has the fourth lowest income per household in the State of Maine. The Somerset County Sheriff's Office will upgrade the gun locks in two Madison Division patrol vehicles.</p> <p>The Skowhegan Police Department is seeking funds to update the Mobile Data Terminals, OSHA approved stands, Tasers, and a high definition camera for the Criminal Investigation Division.</p> |
|                                     |                                       |   | \$ 20,135.00   |

This purchase would provide our department with the ability to house and transport our firearms equipment which, is needed for our semi-annual qualifications.</p> <p>It is the Buxton Police Department's intention to utilize the FY 16 Byrne/JAG fund, on the purchase of a multi-use 6'x12' enclosed cargo trailer. The primary objective of this project is to heighten and enhance community policing, adolescent aged drug and alcohol education, discourage teen impaired driving, and support law enforcement training for the Town of Buxton.</p> <p>The Eliot Police Department will use funds to purchase two (2) Glock GI 7-T Gen 4 Simunition Training Pistols. It is essential to provide our officers the equipment they need while working. The purchase of these items will improve the work environment for our officers when responding to calls for service.</p>  |

# FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary

Award period: January 01, 2019 to September 30, 2020

| Law Enforcement Allocation Category |        |         |   |
|-------------------------------------|--------|---------|---|
| County                              | Agency | Contact | Purpose   |
|                                     |        |         | <p>The Kennebunk Police Department will use the Byrne Jag Funds to purchase specialized equipment necessary for the unique circumstances that occur in the collection, processing and storage of evidence/property:</p> <ul style="list-style-type: none"> <li>• Canon T6i DSLR camera w/18-55mm lens</li> <li>• Canon 60mm macro lens</li> <li>• Nisin air release cordless flash</li> <li>• Manfrotto tripod w/Vanguard GH100 head</li> <li>• Adapters, filters, ABS case, etc</li> <li>• Alternative light Source</li> <li>• Covert trail cameras (2)</li> </ul> <p>The Kittery Police Department intends to use the grant monies for an upgrading the police department's training facilities with current technology and equipment:</p> <ul style="list-style-type: none"> <li>• ThinkCentre M800 Computer</li> <li>• Apple TV</li> <li>• Software</li> <li>• Vizio 70" Television</li> </ul> <p>The North Berwick Police Department will use the grant funds to purchase a computer that will be used as a standalone computer which will be utilized to retain images and body camera videos until they are needed for court purposes. We will also be purchasing a Garrett Ace metal detector which will greatly assist us in retrieving metallic objects such as bullets, bullet casings and other evidentiary items. Lastly, we will be purchasing 2 Canon Powershot cameras to be placed in each of our marked police vehicle to be used at various crime scenes.</p> <p>The town of Old Orchard Beach has a need for a dual-purpose patrol K-9 program. We have had one in place since 2008. The current patrol K-9 is going to be retired. Our current K-9 program has been very successful within our community and has served many of the local municipalities in the surrounding areas. Our current K-9 has also received many awards, letters of recognition and appreciation. Our K-9 program is also widely used for community policing as he is available for many of our school programs, and demonstrations throughout the community.</p> <p>It is the goal of the South Berwick Police Department to purchase the following equipment items: 15 Officer Survival Trauma Plate Combat Gauze/ Tourniquet Packs and 1 Motorola 7550e portable radio and speaker mic. This</p> |

FY 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Program Summary  
Award period: January 01, 2019 to September 30, 2020

| Law Enforcement Allocation Category |   |   |  |
|-------------------------------------|---|---|--|
| County                              | Agency  | Contact   | Purpose  |
|                                     |   |   | <p>would outfit each officer with a field trauma kit which could be used to control dangerous bleeding of officers or civilians during in the field operations. These kits have proven to have lifesaving capabilities for individuals who have sustained serious injuries in the field such as gunshot wounds or stabbings. The portable radio would be immediately placed into service to assist with communications between officers, dispatch and additional surrounding emergency services.</p> <p>The Wells Police Department intends to use the above titled grant monies an FLIR K65 Thermal Imager. The purchase of FLIR K65 Thermal Imager kit will enhance our law enforcement capabilities looking for subjects that have fled or whom are lost outside. Additionally, the thermal imager will enhance our capability to check structures that we suspect are being burglarized and otherwise should not have anyone inside.</p> <p>The York County Sheriff's Office will use the 2016 Byrne Grant Funds to purchase lifesaving first aid equipment that will aid the deputies in rendering aid. The spike mats are vitally important in terminating vehicle pursuits which are inherently dangerous. The purchase of the two radars will help with the enforcement of the speed limits in the communities that we serve. The long-term goal is to reduce crashes that are caused by excessive speed. This would in turn reduce injuries and fatalities on our roadways.</p> <p>It is the York Police Department's intent to utilize the FY16 Byrne/JAG funds to purchase a rifle along with a sling, sight and a mount light. We are also looking to purchase thirty (30) P round magazines for our patrol rifles to ensure that our equipment can safely be deployed in the field. It is essential to provide our officers the equipment they need when responding to high risk situations. The purchase of this patrol rifle, accessories, replacement barrel and P magazines will improve the quality of our response to tactical situations.</p> <p style="text-align: right;">\$ 31,811.00</p> |
| State-wide                          | Maine Department of Public Safety - Maine Drug Enforcement Agency | Roy E. McKinney, Director<br>166 State House Station<br>Augusta, ME 04333-0166<br>Website:<br><a href="http://www.maine.gov/dps/md ea/">http://www.maine.gov/dps/md ea/</a> | The Multi-Jurisdictional Drug Task Force's purpose is to provide a central administrative structure for the establishment, coordination and oversight of specialized narcotics and narcotic-related investigative units within the State of Maine. The task force concept brings together the resources of adjoining and overlapping enforcement activities, particularly in situations in which sparse resources are spread over great distances. This approach has proven to be one of the most effective tools in proactively addressing the proliferation of illegal drug distribution. With limited resources, the majority of participating  |
