ASP INSTRUCTOR TRAINING IS COMING TO YOUR AREA

Training dates: 23 – 25 September 2025

The Maine Criminal Justice Academy, in partnership with the Maine State Police, are pleased to be bringing Armament Systems and Procedures (ASP) training to Maine. The internationally respected and sought-after ASP Instructor Certification (AIC) course is a high intensity three-day program. The program teaches the integrated use of the three most commonly used duty belt tools: baton, restraints, and tactical flashlight. AIC students participate in a demanding progression of classroom and fast-paced physical training. The training covers both the principle and practice of different baton strikes, restraint application, and tactical flashlight use. This intense course includes multi-use drills, general tactics, and expert support in the event of litigation. You do not have to be a current user of ASP products to attend.

This is an ASP factory-sponsored training—there is no charge to attend, and each participant will keep over \$300 worth of ASP equipment upon successful completion of the AIC.
