

Caesars Sportsbook Proposed MGCU Approved Wagering Catalog

Listed on this page are all of the approved sports leagues with the league sanctioning organization or governing body.

Bet Types: Money line, point spreads, totals, futures, outright, head-to-head matchups, team proposition bets, player proposition bets, cross sport proposition and In-Play (Live) wagering where available. All proposition style bets must be verifiable through a box score or statistical analysis. Proposition bets do not include anything related to injuries, penalties, player disciplinary rulings, replay reviews or any pre-determined wager.

Drafts: Professional league drafts are approved for the MLB, NBA, NHL, NFL, and WNBA. In-draft (in-play) betting may be offered up to 2 selections prior to the actual occurrence on the draft broadcast(s). For example, "Pick #25 of the draft to be player x" would need to be placed prior to the announcement of pick #23".

Awards: are pre-approved for all approved leagues where such awards are based on statistics, or votes, provided that votes are collected in a manner that maintains the confidentiality of the outcome until the award is announced.
