Fantasy Operator Gross Revenue Report

Allocation of funds. * Title 8 Chapter 33 §1105 The director shall collect for deposit to the General Fund 10% of gross fantasy contest revenues, including any revenues earned while operating pending approval of an application submitted to the director as described in section 1103, subsection 9, from a fantasy contest operator licensed under this chapter.

Gross fantasy contest revenues. "Gross fantasy contest revenues" means the amount determined by subtracting the total of all sums paid out by a fantasy contest operator as cash prizes to all fantasy contestants from the total of all entry fees that the fantasy contest operator collects from all fantasy contestants and multiplying the result by the resident percentage. Sums paid out as prizes may not include the cash equivalent of any merchandise or something of value awarded as a prize.
