MEDIA RELEASE

Capitol Police charge Buxton man with Class D OUI while operating a tractor trailer unit in Augusta.

Wednesday October 30, 2:10pm

Capitol Police responded to the area of Leighton Road in Augusta at approximately 2:10pm on Wednesday on a 911 report of a tractor trailer unit driving erratically in the area. An officer located the truck and stopped the truck on Leighton Road.

After making contact with the operator and conducting field sobriety testing, Capitol Police officers placed Gerald King (64 yoa) of Buxton under arrest for Class "D" operating under the influence of alcohol while operating a commercial vehicle.

King was transported to the Augusta Police Headquarters for preliminary booking and then transferred to the Kennebec County Jail where he was later released on bail and will appear in court in January.
