Resolution 12
Limited Delegation of Authority to Director
To Review and Approve Employee License Applications**

Effective Date: September 19, 2023

Expiration Date: September 19, 2026 (unless rescinded earlier)

Background

In the past the Maine Gambling Control Board (“the Board”) had delegated to the executive director of the Board (“the director”) the ability to approve applications for an employee license. The purpose of this Limited Delegation of Authority is to formalize that delegation of authority. The practical effect of this delegation of authority will be to avoid having to bring every employee application to the Board for consideration.

This policy expires on September 19, 2026, but may be revisited by the Board at any time.

The Board can issue an employee license only if the applicant meets the qualifications in Sections 1016 and 1019. *Id.* § 1015(2).

Limited Delegation of Authority to Director

The Board delegates to the director the authority to review all applications for an employee license under 8 M.R.S. § 1015, and, if the applicant meets the qualifications for a license, issue the person an employee license. This Limited Delegation of Authority does not address the director's ability to deny an application for an employee license, which is addressed in separate resolutions.

This Limited Delegation of Authority will expire on the Expiration Date indicated above, at which time the Board shall review the actions taken pursuant to this Limited Delegation of Authority and determine whether to renew or modify this delegation.
