The chairperson should strive to keep each meeting focused on the agenda items, with a bias toward action and completion of the tasks to be accomplished. The chairperson should not hesitate to refer a matter to a subcommittee, task force, or other Maine EMS committees, but should recognize the point when enough productive thought and discussion has occurred and the time has arrived to make a decision and put the matter to a vote.

Members with more than one unexcused absences will be subject to dismissal. There is a great amount of work to be accomplished by the Committee, and membership appointments must be made to achieve maximum productivity.

Members will receive meeting notices and prior to each scheduled meeting. Members who must change their plans regarding meeting attendance should notify the chairperson or EMS-C Program Manager no later than 4:30 p.m. on the day before the meeting.

Members should strive to keep the focus of the debate constructive, rather than argumentative.
