 - Introductions
 - Additions and deletions to the agenda
2. Old Business
 - Newsletter Update
 - The COVID-19 had an EMD supplement added to it and it was sent out again with the new EMD data and the dashboard was updated to include a QA/QI report for the EIDS tool as documented by EMS clinicians.
 - Cardiac Arrest Newsletter
 - The staff provided an update on the measures for the cardiac arrest newsletter
 - The newsletter is making progress, it is taking longer than expected to complete the data analysis as we are finding it difficult to find time to devote to the newsletter with the pandemic response as well.
 - An EMD Component will be included assessing telephone CPR time intervals
 1. We are awaiting the data to come back form several EMD centers to complete the EMD section.
