

EMD Stork Award Nomination

An EMD is eligible for a stork award when they provided Childbirth PAIs and were present on the line when the child was delivered (regardless of the arrival of EMS or other responders).

Name of EMD:

How long have they been an EMD:

How long have they been with this agency:

Is this their first delivery? If no, how many previous deliveries:

Any other skills or notable remarks about the EMD:

Date and Time of the call:

Jurisdiction (city, town, township, or UT):

EMS service(s) involved:

Synopsis of events (complications or lack thereof; timing – progression of the call from start to finish; location – home/vehicle/business; caller management skills used; anything else that seems notable):

Was there anything else notable going on in the Center at the same time (i.e. a structure fire, or CPR in progress, a police chase, anything that would also require significant attention or resources)?
