

EMS-C State Partnership All Performance Measures 2023-2027

Program Objective 1: By 2027, expand the uptake of pediatric readiness in EDs

HOSPITAL GOALS	#	National EMSC Performance Measure	Measure	Program Goal	National Baseline	National Target	State Target	State Goals	Data Source	Data Collection Frequency*	Assessment and Survey Time Frame	Performance Measure Source
	1.1	Hospital Emergency Department Pediatric Readiness Recognition Program (EMSC 04)	States/jurisdictions have a standardized pediatric readiness recognition program for EDs	To increase the percent of hospitals with an ED recognized through a statewide, territorial, or regional standardized program that are able to stabilize and/or manage pediatric emergencies.	2020: 29% (n = 17/58)	59%	45%	2024: 30% 2025: 35% 2026: 40% 2027: 45%	Grantee Performance Report	Annual	N/A	Pages 22-27
	1.2	Hospital Emergency Department Pediatric Emergency Care Coordinator	Hospital EDs have a designated pediatric emergency care coordinator	To increase the percent of hospitals with an ED that have a designated nurse, physician, or both who coordinates pediatric emergency care.	2021: 46% (n = 1666/3645)	75%	75%	2024: 60% 2025: 65% 2026: 70% 2027: 75%	National Pediatric Readiness Assessment	Every 5 years (2026)**	3-4 months	Pages 28-31
	1.3	Hospital Emergency Department Weigh and Record Children's Weight in Kilograms	Hospital EDs weigh and record children's weight in kilograms	To increase the percent of hospitals with an ED that weigh and record children in kilograms.	2021: 74% (n = 2716/3645)	84%	84%	2024: 78% 2025: 80% 2026: 82% 2027: 84%	National Pediatric Readiness Assessment	Every 5 years (2026)**	3-4 months	Pages 32-35
	1.4	Hospital Emergency Department Disaster Plan	Hospital EDs have disaster plans that address the needs of children	To increase the percent of hospitals with an ED that have a disaster plan that addresses the needs of children.	2021: 47% (n = 1724/3639)	75%	75%	2024: 60% 2025: 65% 2026: 70% 2027: 75%	National Pediatric Readiness Assessment	Every 5 years (2026)**	3-4 months	Pages 36-38

* Data collection frequencies are subject to change by the Federal EMSC Program

** Next assessment/survey scheduled

Program Objective 2: By 2027, improve pediatric readiness in EMS systems

EMS GOALS	#	National EMSC Performance Measure	Measure	Program Goal	National Baseline	National Target	State Target	State Goals	Data Source	Data Collection Frequency*	Assessment and Survey Time Frame	Performance Measure Source
	2.1	Prehospital Emergency Medical Services Pediatric Readiness Recognition Program	States/jurisdictions have a standardized pediatric readiness recognition program for prehospital EMS agencies	To increase the percent of prehospital EMS agencies recognized through a statewide, territorial, or regional standardized program that are able to stabilize and/or manage pediatric emergencies.	2021: 7% (n = 4/58)	21%	25%	2024: 10% 2025: 15% 2026: 20% 2027: 25%	Grantee Performance Report	Annual	N/A	Pages 39-45
	2.2	Prehospital Emergency Medical Services Pediatric Emergency Care Coordinator (EMSC 02)	Prehospital EMS agencies have a designated pediatric emergency care coordinator	To increase the percent of prehospital EMS agencies in the state that have designated individual(s) who coordinates pediatric emergency care.	2022: 36% (n = 2934/8234)	50%	50%	2024: 40% 2025: 43% 2026: 46% 2027: 50%	EMS for Children Survey National Pediatric Readiness Assessment	Annual (except for the years of the PRRP Assessment) Every 5 years (2024)**	3-4 months	Pages 46-49
	2.3	Prehospital Emergency Medical Services Use of Pediatric-Specific Equipment (EMSC 03)	Prehospital EMS agencies have a process for conducting a pediatric skills-check on the use of pediatric equipment	To increase the percent of prehospital EMS agencies in the state that have a process that requires prehospital practitioners to physically demonstrate the correct use of pediatric-specific equipment.	2022: 26% (n = 2145/8234)	46%	46%	2024: 34% 2025: 38% 2026: 42% 2027: 46%	EMS for Children Survey National Pediatric Readiness Assessment	Annual (except for the years of the PRRP Assessment) Every 5 years (2024)**	3-4 months	Pages 50-52
	2.4	Prehospital Emergency Medical Services Disaster Plan	Prehospital EMS agencies have disaster plans that address the needs of children	To increase the percent of prehospital EMS agencies that have a disaster plan that addresses the needs of children.	0%	75%	75%	2024: 45% 2025: 55% 2026: 65% 2027: 75%	National Pediatric Readiness Assessment	Every 5 years (2024)**	3-4 months	Pages 53-55

* Data collection frequencies are subject to change by the Federal EMSC Program

** Next assessment/survey scheduled

Program Objective 3: By 2027, prioritize and advance family partnership and leadership in efforts to improve EMSC systems of care

FAN GOALS	#	National EMSC Performance Measure	Measure	Program Goal	National Baseline	National Target	State Target	State Goals	Data Source	Data Collection Frequency*	Assessment and Survey Time Frame	Performance Measure Source
	3.1	Family Representation on the State EMSC Advisory Committee	States/jurisdictions have a family representative on their State EMSC Advisory Committee who represents the emergency needs of children in their community	To increase the percent of states that have a Family Representative on their State EMSC Advisory Committee who represents the emergency needs of children in their community.	98% (n=57/58)	100%	100%	2024-2027: 100%	Grantee Performance Report	Annual	N/A	Pages 56-59

* Data collection frequencies are subject to change by the Federal EMSC Program

Program Performance Evaluation

PROGRAM GOALS	#	Performance Evaluation Measure	Measure	Program Goal	National Target Score	National Target	State Target	State Goals	Data Source	Data Collection Frequency*	Assessment and Survey Time Frame	Performance Measure Source
	I	Established Permanence of EMSC (EMSC 08)	Degree to which the state has established permanence of EMSC in the state EMS system	To increase the number of states/territories that have established permanence of EMSC in the state/territory EMS system.	5	100%	100%	2024-2027: 100%	Grantee Performance Report	Annual	N/A	Pages 61-64
	II	Established Permanence of EMSC by Integrating EMSC Priorities Into Statutes/Regulations (EMSC 09)	Degree to which the state has established permanence of EMSC in the state EMS system by integrating EMSC priorities into statutes or regulations	To increase integration of EMSC priorities into existing prehospital or hospital statutes/regulations/rules.	11	100%	100%	2024-2027: 100%	Grantee Performance Report	Annual	N/A	Pages 65-67

* Data collection frequencies are subject to change by the Federal EMSC Program

EMS-C State Partnership Hospital Performance Measures 2023-2027
