

NOTE: You must have a background check for each state you have lived in for the past 3 years.

\$21 of the application fee for new providers or providers seeking reciprocity covers cost of Maine background check, which we will perform. There may be an additional cost for background checks in other states, **the applicant is responsible for this cost**; please visit those states' website(s) for further information. **We will not accept a commercial third-party report.** Fingerprints are not required for Maine, only a name and date of birth search is required.

If there is any difficulty, please contact the State Police of the state you need a background check from for best guidance.
