

# EMS Education Series: Behavioral Health

2 Medical CEH, August 10 from 10 am - 12 pm

**Instructor: Melissa Fernald, LICSW, MLADC**  
**Northern Light Mercy Behavioral Health**

This is an interactive presentation for EMS to tour a staged teenage risky behavior room, receive training on current drug and alcohol trends, and learn techniques for communicating with teens. Leave knowing what to look for and how to intervene. The intent is to increase awareness, promote early detection, and intervention of teenage risky behavior.

# EMS Education Series

As we continue our work together on behalf of area patients, we would like to offer your team an opportunity to participate in a free EMS education series we are hosting this summer.

Join us for the next one on Tuesday, August 10 from 10 am- 12 pm for an interactive behavioral health presentation with a focus on risky teen behaviors.

If you have any questions about this series, please contact Mindy Gammon ([gammonm@northernlight.org](mailto:gammonm@northernlight.org)).

Northern Light Mercy Hospital
