

2022 Annual Conference of the Maine Committee on Trauma

**Thursday, November 10, 2021, ~ 8:00 am to 4:30 pm
Samoset Resort, Rockport, ME**

The MCOT Annual Conference is a shared endeavor of the Trauma Programs at Central Maine Medical Center, Northern Light Eastern Maine Medical Center and Maine Medical Center, in collaboration with Atlantic Partners EMS. The conference is designed for Physicians, Physician Assistants, Nurse Practitioners, Nurses, EMS Providers, and other clinicians. The educational focus is on current issues and trends in trauma and critical care. The program will provide information on a wide range of complex and controversial clinical and systems issues.

Tales from the Trauma Room: Triage, Resuscitation, & Recovery

Join us we review and provide updates on the art and science of initial assessment and management of the trauma patient, primary injury management and decision-making, shock management, and complicating external factors. We will also address post incident recovery and finish with a lively presentation on interesting ED cases from Maine

Stop-the-Bleed: MCOT Staff will conduct a stop-the-bleed training session immediately following the TBI conference for those wishing to learn this valuable and life-saving procedure and then be able to teach the program in your communities.

REGISTRATION:

- The pre-registration deadline is November 4, 2022 and the fee is \$100. Pre-registration is required to ensure adequate space and meal preparation. The pre-registration fee includes continental breakfast, lunch, exhibits, and continuing education credit (pending approval).
- On-site registration will be available the day of the conference for a fee of \$125, but lunch cannot be guaranteed.
- Cancellation Policy: Fees will be refunded less a \$20.00 processing charge if cancellation is made by either party prior to November 4, 2022. After that date no refunds will be given for any reason. Substitutions are always acceptable with notification prior to the conference.
- **Registration Link:**

The Maine Committee on Trauma (MCOT) is a division of the American College of Surgeons Committee on Trauma and is currently chaired by Dr. Amy Fenwick from the Northern Light Eastern Maine Medical Center Trauma Program. The mission of the American College of Surgeons Committee on Trauma is to develop and implement meaningful programs for trauma care in local, regional, national, and international arenas. These programs must include education, professional development, standards of care, and assessment of outcomes.
