

# Training Announcement

**MGT – 330**

## Support That Saves: A Guide to Building and Sustaining Peer Support

**April 21-23, 2026  
Augusta, Maine**

### Audience

State, local, tribal, and territorial public health agencies; EMS/Emergency Responders; Hospital Administration & ER/ICU/PICU/NICU Personnel; School Nurses and Administrators; Law Enforcement

### Location

**DHHS – Maine A&B Classroom  
109 Capital St. Augusta**

### Course Overview

This course covers all elements of building and maintaining a peer support program. It will inform and prepare responders to support mental health needs and communities via face-to-face peer support networks. The course is 24 hours total.

### Topics

- Provide training to identify risk factors for behavioral and mental health problems.
- Reduce stigma by encouraging conversations surrounding mental health and normalizing difficult experiences.
- Create an environment where people feel comfortable approaching one another.
- Link peers to outside professional resources for additional care when necessary.
