The MaineHealth Division of EMS in partnership with MaineHealth Maine Medical Center, MaineHealth EMS, Portland Fire Department, South Portland Fire Department, Maine EMS, and others are offering an EMS conference here in the City of Portland. This conference will include a virtual attendance option for portions of the conference.

The conference will focus on evidence-based care for EMS. Cardiology, neurology, pediatrics, trauma, and obstetrical care offerings are all planned. The conference will include opportunities for hands on learning also.

Don't hesitate to contact Eric Wellman, EMS Manager, at Eric.Wellman@MaineHealth.org with any questions or to ensure that you have information added to the mailing list for the event.
