To Whom It May Concern,

CPM Constructors will be commencing milling and paving night work on I-295 starting Wednesday night, July 19<sup>th</sup>. Work will be occurring on I-295 South Bound (SB) near Exit 17 from approximately 8 PM to 6 AM. From 9 PM to 5 AM, all I-295 SB lanes of traffic will be shut down and traffic will be detoured. During these times, the contractor will send I-295 SB Traffic off I-295 at the exit 17 off-ramp and traffic will cross US Rt.1 and re-enter I-295 on the on-ramp for 5 to 10 nights per ramp location. The Contractor will be performing milling and paving on both lanes of I-295 SB in order to transition traffic onto the new SB bridge in the near future. Please be prepared and patient with us.

Dates are approximate and are subject to change due to unforeseen conditions.
