### II. Introductions/Public Comments None

### III. Additions to Agenda None

### IV. Acceptance of Minutes: John motioned to accept Aug 2011 Carol 2<sup>nd</sup> unanimous ;

### V. Staff Report Jay will be in Wisconsin for NASEMSO in October. Protocols are being reviewed and set at the printers.

### VI. Unfinished Business

- a. CEH Requirements Revision, Appendix H will be submitted to Maine EMS Board for approval to be added to the TCAP document.
- b. MDPB Protocol update
  - i. *Update roll outs are being scheduled throughout 6 regions for October and November with Ed Comm Members, MDPB and MEMS and Regional staff involved and a distance learning piece being developed. Lengthy discussion followed to include whether a companion manual should be developed.*
- c. IC Course NEEMS is running a course and has found it difficult to separate the assisting from the I/C. More to follow.
- d. TCAP
  - i. Revisions are still being made to the document, committee to meet following this month's Ed Comm meeting.
  - ii. Midcoast is no longer a separate MEMS Training Center
- e. Education Standards discussion regarding implementation and recommendations for transition class; Jay suggests waiting until his return from NASEMSO for further discussion as transition templates and NREMT input is on that agenda. AEMT add on modules were discussed and rolled into a conversation about changes to CBOs Eric and Kerry will work on a draft. Discussion regarding live vs simulated clinical experiences for documented skills.

- f. TC changes to include EMT-I level? Dan, Kerry, and Butch will work on reviewing necessary document changes to assess feasibility.

**VII. New Business**

**VIII. Adjournment 1111**
