Maine Offshore Wind Research Array
Joint Wildlife and Fisheries Work Session #3 - Public Meeting (Virtual)

July 13, 2021 - 4:00 PM – 6:00 PM

AGENDA

Registration link: https://cbuilding.zoom.us/meeting/register/tJMtduypqTMPmEt2q_sJGTcH5gyeEWs7JA4aZ (participation can occur via phone or Zoom)

Objectives:
• Review and summarize the discovery and discussion to date
• Share the direction on siting, research, and configuration given that work
• Obtain input on any additional missing data and perspectives on siting
• Define next steps

The full meeting will be recorded and a link to the recording will posted on the Governor’s Energy Office website.

Note: Participation or giving advice to the Governor’s Energy Office (GEO) does not constitute approval nor endorsement of offshore wind development in the Gulf of Maine generally or the research array in particular.

</tbody>
</table>
| 4:00 Welcome and Overview | • Welcome  
• Review of agenda and rules of the road  
• Process review | Patrick Field and Laura Singer, CBI, Facilitator                         |
| 4:10 Update of Legislative Activities | • Brief overview of relevant OSW legislative actions in 130th legislature | Celina Cunningham, GEO                                                  |
| 4:25 Review of Data & Information | • Review of fisheries data/work to date  
• Review of wildlife data/work to date  
• Review of other siting considerations  
• Discussion and Q & A | Meredith Mendelson/Carl Wilson, ME DMR  
John Perry, IFW  
Celina Cunningham, GEO |
| 5:00 Prioritized Area for Siting | • Discuss prioritized area and configuration  
• Share configuration considerations  
• Discussion and Q & A | Celina Cunningham, GEO                                                  |
| 5:20 Research Review   | • Overview of research framework and potential options for key research questions  
• Research consortium  
• Discussion and Q&A | Celina Cunningham, GEO  
John Perry, IFW  
Meredith Mendelson/Carl Wilson, ME DMR  
Chris Wissemann, NEAV |
| 5:45 Next Steps         | • Research array application next steps  
• Public input process, opportunity to provide feedback  
• BOEM process  
• Links to the Roadmap | Celina Cunningham, GEO                                                  |
| 6:00 Adjourn           |                                                                             |                                                                           |
