## Maine Offshore Wind Research Array Joint Wildlife and Fisheries Work Session #3 - Public Meeting (Virtual)

## July 13, 2021 - 4:00 PM - 6:00 PM AGENDA

## Registration link:

https://cbuilding.zoom.us/meeting/register/tJMtduypqTMpEt2q\_sJGTcH5gyeEWs7JA4aZ (participation can occur via phone or Zoom)

## **Objectives:**

- Review and summarize the discovery and discussion to date
- Share the direction on siting, research, and configuration given that work
- Obtain input on any additional missing data and perspectives on siting
- Define next steps

The full meeting will be recorded and a link to the recording will posted on the Governor's Energy Office website.

Note: Participation or giving advice to the Governor's Energy Office (GEO) <u>does not</u> constitute approval nor endorsement of offshore wind development in the Gulf of Maine generally or the research array in particular.

|      | TOPIC                               | DESCRIPTION  | PRESENTERS  |
|------|-------------------------------------|--|---|
| 3:55 | Tech Check                          | Call in early if needed to check tech,<br>zoom connection, phone connection  |   |
| 4:00 | Welcome and Overview                | <ul><li>Welcome</li><li>Review of agenda and rules of the road</li><li>Process review</li></ul>  | Celina Cunningham, GEO<br>Patrick Field and Laura<br>Singer, CBI, Facilitator                                   |
| 4:10 | Update of Legislative<br>Activities | Brief overview of relevant OSW legislative actions in 130 <sup>th</sup> legislature  | Celina Cunningham, GEO  |
| 4:25 | Review of Data & Information        | <ul> <li>Review of fisheries data/work to date</li> <li>Review of wildlife data/work to date</li> <li>Review of other siting considerations</li> <li>Discussion and Q &amp; A</li> </ul> | Meredith Mendelson/Carl<br>Wilson, ME DMR<br>John Perry, IFW<br>Celina Cunningham, GEO                          |
| 5:00 | Prioritized Area for Siting         | <ul> <li>Discuss prioritized area and configuration</li> <li>Share configuration considerations</li> <li>Discussion and Q &amp; A</li> </ul>   | Celina Cunningham, GEO  |
| 5:20 | Research Review                     | <ul> <li>Overview of research framework and potential options for key research questions</li> <li>Research consortium</li> <li>Discussion and Q&amp;A</li> </ul>                         | Celina Cunningham, GEO<br>John Perry, IFW<br>Meredith Mendelson/Carl<br>Wilson, ME DMR<br>Chris Wissemann, NEAV |
| 5:45 | Next Steps                          | <ul> <li>Research array application next steps</li> <li>Public input process, opportunity to provide feedback</li> <li>BOEM process</li> <li>Links to the Roadmap</li> </ul>             | Celina Cunningham, GEO  |
| 6:00 | Adjourn                             |  |   |
